Dear St. Joseph Family,

Registration for the 2024/2025 school year is underway! To save time and effort, a full registration form is not required for returning students. All current students are automatically re-enrolled for the 24/25 school year in both our office database as well as in the FACTS Mgt. tuition system.

In order to ensure accurate records and assist with the scholarship and financial aid process, please do the following:

- Verify the information on the attached sheet- make any corrections that may be needed
- Mark if you will be applying for a Traditional EdChoice Scholarship (Lorain or Elyria schools) or an EdChoice Expansion Scholarship (everyone else)
 - Please note- ALL STUDENTS are eligible for an EdChoice Expansion Scholarship up to the full tuition amount. A chart of estimated award amounts is below. Renewal applications do not require you to resubmit income for the 24/25 school year, you will only need to provide proof of address with a current utility bill. New applications will require proof of address as well as income verification.

- Check any additional forms of assistance for which you would like to be considered in the case that an EdChoice Scholarship doesn't cover the full tuition amount.
- Return the attached sheet AND a \$75 registration fee per student to the school office. (Partial payments will be accepted for registration but you must put something down at this time.)

If you have any questions in regards to registration or scholarship opportunities, please contact the school office and we will be happy to help you!

Mrs. Amy Makruski
