

Dear 6th, 7th, and 8th grade families,

On Tuesday, October 3rd, Holy Trinity School in Avon is hosting a Catholic High School Night from 6-7:30 p.m. Various Catholic high schools from our area will be present and available to help you learn more about your Catholic high school options and what makes each school unique. If you are considering a Catholic high school for your Upper Hall student, this is a great opportunity to get to know your options.

If your student is currently in 8th grade and you are interested in a Catholic high school, we highly suggest you attend this evening to learn more about the process each school uses for enrollment. There are often placement test dates and financial aid meetings ahead of our official enrollment period in January. SJS will help you with the enrollment process when applications are ready to be filed during the official enrollment period.

SNACKS AND TREATS IN THE SCHOOL CAFETERIA!

We are ready to start serving snacks and treats in our school cafeteria on Tuesday, September 19th. The schedule for when each class can buy is below.

Ice cream and snacks are not part of the free/reduced lunch program. Students who do not have enough funds on their account will ALWAYS be served a lunch, but will not be permitted to have an ice cream treat or snack.

***Parents, please talk to your child, especially in the younger grades, so they know if they are permitted to buy a treat or snack at school and if there is money on their account.

Department of Food Service

Dear St. Joseph Parents,

Our school district is excited to announce the launch of a new online service that will allow you to monitor your children's lunchtime purchases, track what your children have been eating for the past 30 days, make deposits directly into their meal accounts, transfer funds between students and have an email reminder sent to you when an account balance gets low. Student debit account deposits can be made through ACH payments. Each child's account will be updated throughout the day will sales and payments.

In order to take advantage of this convenient new service, you will need to create a parent account. This requires you to:

1. Go to www.myschoolaccount.com.
2. Click "Create Account" on the top menu bar.
3. Fill in the required information on the "Parent Account Sign-Up page."
4. Choose St. Joseph Parish from the "School District" drop down menu.
5. Create a User ID and Password
6. Click the "Accept" box, and then click "Signup." An email will be sent to your email address that will contain a "verification code."

After you receive the "verification code" you may begin to add your children's information. To do this, you will need to:

1. Go to www.myschoolaccount.com and login using your previously created user ID and password.
2. Enter the "verification code" to verify your account and email address.
3. Begin adding your children's information according to the guidelines provided. You will need each of your children's student ID** numbers as well as (some school districts also require date of birth) to add each student.
4. After the students are added you will be able to view the lunch account activity and make payments to the student lunch account.
5. When making an ACH or Credit card payment there will be a \$2.00 convenience fee charged when you submit the payment.

Note: A parent account can be linked to many children, but a child can only be linked to one parent.

We urge you to take full advantage of this system by making deposits into your children's accounts on a weekly, monthly, or annual basis. You are free to choose the amount of each deposit.

Note: There will be a per transaction convenience fee associated with each deposit.

Any money that is not spent by the end of the school year will be available the following school year. If you have any questions about this or any other food service program, please contact the district Food Service Office at <phone number>.

Sincerely,

Holly Dittmer
Food Service Director
