LOREN on PARK a LIVING MIRACLE in MINNEAPOLIS

Loren on Park is an ASSISTED LIVING where hard living people have come to find miracles and I can bear witness to that because I myself have received my share of miracles at LOREN on PARK. I have been very privileged to serve as LEADER of THE RESIDENTS' COUNCIL for the last five and one half years; the first such council to exist in Minnesota - the Alpha Council, the prototype group which CHANGED THE REALITY of having to submit to Abuse, Embezzlement and incompetence in the care of the Elderly and Disabled.
