

Santa Cruz County Recovery Court

A program in collaboration between the
Santa Cruz County Justice of The Peace & Circles of Peace

The SCC Recovery Court Program's mission is to improve the quality of life for our participants through intensive treatment, supervision, incentives and sanctions.

Recovery

Every participant is enrolled in intensive outpatient treatment to address root causes of substance use.

Support

Certified peers provide knowledge, experience, emotional, social and practical help as you navigate the program and your life of recovery.

Supervision

An experienced team of individuals committed to your success in the program through fair supervision and drug testing.
