testimonials

“Food Connection was an absolute joy to work with as our Nonprofit of the Month. They gave ample attention to our partnership to ensure it was a success. They posted on their social media channels, participated in a sale day event at Second Gear, and did a great job of promoting our business. They do incredible work to ease hunger and reduce waste”

Jesse Goldman
 Marketing Manager

cause marketing

“By building authentic and impactful partnerships, cause marketing campaigns have the potential to build stronger awareness, engage a broader audience and mobilize communities toward meaningful action for a brighter and more sustainable future”

Nick Lynch
