A message from our founders

You hope and pray that one day you'll be used to make a difference, to truly help others, and to have a chance to turn your own experiences into something meaningful. Then, one day while stocking your bathroom shelves, it strikes your heart and you're forever changed!

We are honored to serve incredible single moms and their all-star kids each day, with integrity & grace!

A year of vision

SWING! Foundation Inc.'s 1st year! Donations have been a tremendous help to our programs, but we have a way to go. Start-up was challenging and exciting. We're grateful for every partnership and service opportunity afforded to our organization this year. There are so many single moms and all-star kids that need our help!
