THE BETTER DIRECTORY

REFERRED PROS is a FREE, annual directory with listings of highly recommended residential contractors in your community. *Not knowing how to find a reputable contractor can be time consuming, frustrating and costly.* How do you find the right one? Just use this little orange directory. We have done the research so you don't have to! **REFERRED PROS** will provide a handful of "**PROS**" you can trust based on their reputation in your local community!

WHY Trust a Contractor in REFERRED PROS?

Whether you need a major repair or a renovation, we use an extensive screening process to make the right connection for your project's needs and save you time!

REFERRED PROS is a directory of contractors in your community that carry general liability insurance, have fulfilled state licensing requirements, are up to date with the state registration, have a solid on-line reputation and have been referred highly in their community! We provide a **VERIFIED** check list (✓) for all **REFERRED PROS** so that you can choose the service provider that's right for your home or business.

The REFERRED PROS displaying the STAR logo in the directory earned their status by:

- Following up on calls in a timely and professional manner
- Explaining services thoroughly and scheduled appointments
- Performing high quality work without complaints

Our Pros are only as good as their last job! If you have a bad experience with one of our Pros contact us at **303-554-7010** or **info@referredpros.com**. We will step in to make sure you are treated right. Negatively reviewed Pros that don't resolve issues are simply kicked out!
