

Anka Road Intersection Night Work

Weather permitting, night work will be performed at the Anka Road intersection this Thursday, July 7, starting at 8:00 pm to 6:00 am Friday, July 8, for electrical road crossings. There will be one (1) lane and flaggers directing traffic. Please drive carefully.

Notice of Heavy Equipment Operation

From Thursday through Friday, July 7 – July 8, Secon and Chatham Electric will be operating excavators, end dumps, compactors, at the Anka Glacier Intersection between the hours of 8:00 pm to 6:00 am under the conditions of noise permit number 20210004. This permit does not allow unreasonable noise disturbances after 10:00 pm or before 7:00 am weekdays and before 9:00 am on weekends. Please contact Secon at 907-321-2637 if you have questions. Contact the Juneau Police Department at 907-586-0600 to report unreasonable noise disturbances or other permit violations.
