

# ADOPT-A-FAMILY 2023

This program gives your family, business, church, or organization the unique opportunity to give directly to a family in need in our USD 260 community.

- By adopting a family you can personalize your giving.
- You are matched with a family size of your choosing.
- You contact them personally and purchase children's gifts, non-perishable food, and gift cards that are specific to the families needs and desires.
- The deadline for adopting a family is **Monday, November 13th.**

***It is important that you contact the family you have adopted by December 1st.***

Doing so makes them aware that their needs will be met by you, personally, as opposed to Derby-Operation Holiday on distribution day.

Below are general guidelines for the minimum purchases per family:

- 10 non-perishable food items per family member. A list of recommended items is available on our **Facebook** page **@derbyoperationholiday**. You may wish to ask your family what types of foods they prefer, or if there are any food allergies.
- Dillon's or Wal-Mart gift card for the purchase of perishable food items (i.e. produce, meat, dairy). The amount is \$60 for the first family member and \$10 for each additional family member.
- Two toys per child up to 10 years old (one large \$35-\$40 and 1 small \$15-\$20). If a child has a specific wish list that is more expensive, one single, more expensive item is fine. Contact your family for ideas of what their children might like.
- Gift card for pre-teens age 11-14 (\$25) and 1 small toy (\$15-20)
- Gift card for teens age 15-18 in the amount of \$50. You can check with the parents to see if there is a favorite shopping spot.

Gifts should be **delivered prior to December 11<sup>th</sup>**, unless other arrangements are made with the family.

Gifts are not required to be wrapped, but you are welcome to do so if you like! Gift receipts are always a good idea when possible.

For your health and safety, please choose a neutral meeting place within the USD 260 boundary to deliver the gifts, preferably during daylight hours. We suggest the Derby Police Station or the Woodlawn United Methodist Church parking lots.
