

# TOP OF CAR HANDRAIL

STAY SAFE WITH  
ACCESS

*Reliable and easy-to-install  
handrail system for elevators*

## FEATURES:

Made from high-quality 1½" and 1¾" square galvanized tubing, ensuring both durability and a sleek, modern appearance.

Designed to comply with the strict safety standards of ASME A17.1a-2004, this handrail is the ideal choice for a safe and secure handhold.

## EASY TO INSTALL, WITH A QUICK AND SIMPLE INSTALLATION PROCESS

Can be shipped via UPS, making it easy and convenient to order.
