

KIDS SAY THE DARNDDEST THINGS

MIGHTY MOSQUITO MISSION... EDITION

⚡ Lighting Round ⚡

**I'VE SEEN ONE OF
THEM AT MY HOUSE
BEFORE!**

-KINDERGARTENER

DID YOU KNOW?

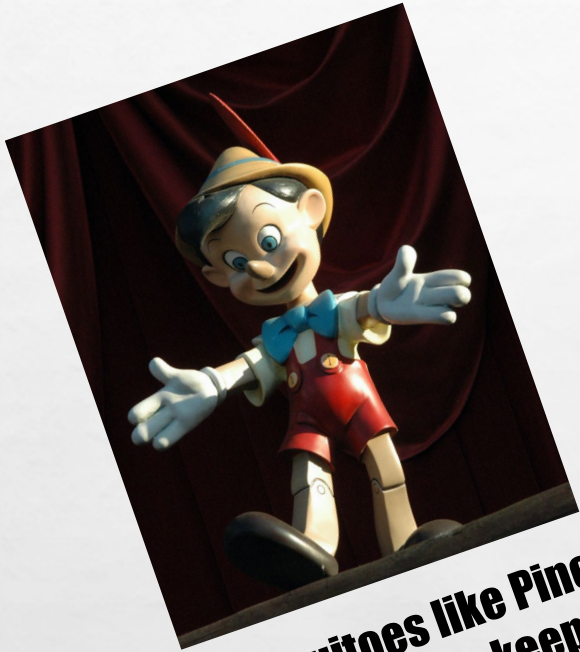

MOSQUITOES ARE BAD PARENTS.

**The female mosquito lays
her eggs on, in or around
water and then flies away.**

Picture of baby is Gina's actual daughter turning 7 tomorrow

**"You mean they leave their children behind!?"
-1st grader**

**“Are mosquitoes like Pinocchio?
Like do their noses keep
growing?” – 2nd grader**

**When mosquitoes bite you they
shock you with an electric charge.
– 2nd grader**

**Do mosquitoes fight each
other with their proboscis
like this? - Kindergartener**

**When are you going to talk about scorpions?
-2nd grader**

**“DO MOSQUITOES LAY EGGS IN
CLOUDS? BECAUSE THERE’S
WATER IN CLOUDS AND
MOSQUITOES LAY EGGS IN
WATER.”**

-KINDERGARTENER

**“Do mosquitoes get married?
No?! Well spider’s definitely
do!”**

**“Do mosquitoes make milk?”
-2nd grader**

**A: “Do mosquitoes and bees fight?”
B: “Oh bees would totally win!”**

“Do ants have antlers?”
-2nd grader

“Do dragonflies breathe fire?”
-Kindergartener

Changes Tape

**Child: Wow!
That's where
tape comes on?
Can I have it?**

Changes Tape:

**Child: Woah!
How did you do
that?! That's
the coolest
thing I've ever
seen today!!**

Pupa?! Is that when they do puberty?

Ooooh... gooey!

DID YOU KNOW?

Mosquitoes are saving the rain forest because there are so many of them no one wants to go in there to cut down the trees! – 2nd grader

**Flies taste sour and have protein.
That's why I like them.
– 2nd grader**

CHALLENGING QUESTIONS...

If a mosquito bites you and you kill it, do you lose your family if they leave your DNA behind?

So, after they bite you 3 times, then they die because they are poisoned?

THE BIG QUESTION...

Q

Why does mosquito have a 'Q' in it?
