5. SPORTSMANSHIP. All contestants are required to follow high standards of sportsmanship, courtesy, and conservation. All anglers must conform to local, state, and federal laws. Because this is a catch, photo, release tournament, anglers must comply with the laws of the state in which they fish. Unsportsmanlike conduct will result in disqualification without refund of registration.

6. PERMITTED FISHING METHODS. All fish must be caught via hook and line. The selection of baits is up to the discretion of the participant. All fish must be caught from the kayak. No wade fishing or shore fishing is permitted unless the kayak is tethered to the angler. All rod holders with rods being fished must be on the kayak or the angler. No exceptions are made. Flounder may **NOT** be gugged.

7. NO MOTORS. The use of a boat or motorized water vehicle to transport your boat on the water is prohibited. All craft must be self-propelled – no engines are allowed. Canoes and paddle vessels designed to be paddled (not powered by motor) are permitted.

8. FISHING LOCATIONS. Any inshore location is permitted, including locations in Duval, St. Johns, Nassau, Flagler, Camden, and Glynn counties. This includes the St. Johns River and Intracoastal Waterway. No offshore ocean fishing is allowed, however jetties, inlets and the offshore sides of land masses are permitted. 10. SCORING. The event uses catch photo release scoring determined by the length of each fish individually for each class. The Classic will cover three species of fish: Flounder, Redfish, and Speckled Trout. Each angler will be issued a unique scoring marker/token at the Captain's Meeting. The first photo on the camera must be of your rigged boat as put in at launch with measuring device and scoring marker visible. Fish must be photographed in or on the boat, clearly showing the length of the fish with the scoring marker visible. More than one photo of a fish may be taken. Length is determined from the forward most point of the fish to the natural un-pinched top of the tail. Fish must be above FWC minimums to count – caught fish may be above the slot limit. In the event of a tie the entry checked in earliest will be declared the winner. The judging committee will review the photos to verify reported results and determine place winners. The Tournament Director is responsible for the final call in all matters. Official Check-in for anglers is at the Howard Gilman Memorial Park Gazebo.

11. DIGITAL PHOTOGRAPHY. Participants may only use digital cameras for recording scoring fish. Entrants must bring the storage chip from their camera to check-in or bring the download cable for their camera so that pictures may be retrieved. Phones are not recommended. Cameras may be shared – in the event of camera sharing both entrants' kayaks at launch must be initially on the roll, and each entrant will use a different unique scoring token as directed at the captains meeting, both in the launch picture and the fish scoring pictures. In the scoring fish pictures the appropriate entrant's kayak must also be in the picture.

12. TANDEMS/SHARING. It is permissible for more than one entrant to share the same paddle vessel. Each paddler must be a registered participant and is scored separately. Fish may NEVER be shared among entrants. If more than one person is in a tandem both must be registered anglers – use of an extra person strictly as a paddler/motor is forbidden.

13. PROTESTS. Protests of any nature must be submitted in written statement form and personally turned into the Tournament Director. The Tournament Director's decision will be final

14. RELEASE OF LIABILITY AND COVENANT NOT TO SUE. A waiver, release of liability, and covenant not to sue are part of the entry form. It is required that all contestants take responsibility for themselves while participating in event activities.

15. PHOTO RELEASE. Scoring photos remain the sole ownership of The Historic St Mary's Fishing Classic (HSMFC) to be used at their discretion. Contestants grant HSMFC and the sponsors the unconditional right to use their name, voice, photographic likeness and biographical information in connection with future HSMFC events, production, promotion, and/or articles and press releases, and shall not be entitled to receive any royalties or other compensation in connection with such use.

16. RULE CHANGES. Rules interpretation is exclusively left to the Tournament Director. The decisions of the Tournament Director are final in all matters and are not subject to appeal.
