Stockton Rod & Gun Club February 2024

Presidents Letter

The Stockton Rod & Gun Club was organized on February 14, 1941. We'll celebrate on Saturday, February 17th. There will be dinner and a few surprises (Dinner/cost TBD). I'd like to honor our history so if anyone would like to tell any old stories or lessons learned, we hope to see you there! Sunday, February 11th will be our super bowl party with a nacho bar and a potluck. Please bring something to share. Keep your calendars open for our crab feed on March 9th hosted by John Navarro @ \$65 each. More information to follow.

New labor law posters and info such as workman's comp, are being updated/posted. We are working on getting manuals for all employees including bartenders, janitorial, and landscape. We are also working on creating a policies & procedures rule book. There are too many issues such as dumping garbage on our hill which we need guidelines to follow. Please let us know if you have any ideas, concerns, or comments. If you'd like to help, please come forward!

Our committees will be formed at our board of directors meeting on Feb 1st. There are still available spots so please feel free to join. I am so incredibly proud of the way everyone is stepping up!

Our side hall is being updated/refreshed for rentals. The iron fence will be painted. Our halls are being spruced up so we can gain hall rental income. We need your help! I'd like to have a spring clean up (date TBD) to wash walls, get rid of unused items and get the area behind the kitchen cleaned out so we can utilize it as a BBQ area. With limited income, and many maintenance issues (especially the roof) we really need to focus on fundraising. We are looking into grants as well. Please come share your ideas.

Please welcome our new bartender, Jenny! Her sparkling drinks match her sparkling personality!

If you haven't paid your dues yet, there will be a \$25 late fee. New membership cards with the new codes will be available next week and our code will be changed in the second week of February.

Hope to see ya'll at our General meeting, Thursday, 2/8! Chicken fajita dinner will be \$13 per plate by Steve Orocz & Crew.

Amanda Combie

Fishing Report

DELTA, Sacramento Side — The water temperature has dropped from 52 to 47 degrees within the week, and the water clarity has also been reduced to around a foot in the main Sacramento River. Trolling has been slow, but there is the occasional quality lineside taken on deep-diving lures along the West Bank. Fresh run stripers continue to move in from the bay, and anglers are fishing success soaking live mudsuckers or frozen shad on the anchor at 30 feet in depth near Collinsville. The stripers are moving north with the stained water, and the Liberty Island area is picking up with swimbaits in the shallows. Sturgeon fishing remains outstanding in Suisun Bay with cured salmon roe, but few six-pack boats have been running with the emergency regulations limiting the slot size and annual bag limit.
