Presidents Letter

It's here- Summer. I hope everyone is looking forward to sunshine and longer days. Pool tournaments are being held on Saturday and sometimes on Sunday. If you don't play it's fun to watch. Call the club for days and times.

Thanks to Henry Posada (who comes all the way from Las Vegas to set up and cook) Ron Henderson, Ron and Gloria Halverson and Chuck Lawrence, Dorsey Williams, and everyone for organizing the BGQ and potluck. Thanks all the members for coming out and bringing food. Ron Henderson cooked the best ribs, and the guys cooked the hamburgers, and we all had a great day. Good weather and good friends and a good time.

The horseshoe tournament is June 4th, games start at 9am and lunch is 2pm. SRG vs Boaters. Nonmembers can participate but must be signed in by a member. When the member leaves so do your guest. Posters were posted about the event but have been taken down by parties unknown. Sham, sham on you. Grow up.

The Walter Banks Fishing Derby is June 10th. This is a long running event for children 1 to 15 years old. Gates open at 7am. Volunteers are needed to help with this event. 6am, loading of the tables and other items needed for the event. We need workers to help put on the event. Handing out poles, registration, cleaning around the water area so we leave the park as we found it. Helping the children with fishing, handing out food, handing out bait and measuring the fish, guarding the parking lot, etc. We need to be out of the park by 10am. This means bringing back everything to the club.

Thank you to the Taco Tuesday Crew. Don Smith has been preparing the meals for a long time, Robin Bryson has been his helper. When Robin was unable to help, Linda Handel and Mary Natali stepped in to help.

We are not renting the hall this summer as usual since we do not have air conditioning in the hall. We all need to support the club events large and small. Volunteers are always welcome to cook a Friday Lunch or come up with another event for members to enjoy.

The next General Meeting is September.

Linda Black, President

Fishing Report

DELTA, Sacramento Side — The water remains high and cold, but when the tides are smaller, the water clears up around the West Bank from the Rio Vista Bridge to Collinsville and trolling is vastly improved. The striped bass are migrating both in and through the Delta on their way to the upper river to spawn. Largemouth bass action is best in the north Delta with Senkos off of the shorelines as the majority of bass are in post-spawn mode. Sturgeon fishing remains solid out of Pittsburg with cured salmon roe, but few six-packs remain in the area. Anglers are requested to release the large gravid females on their way to spawn in the upper river.

DELTA, San Joaquin side — Striped bass fishing continues to be outstanding for those drifting jumbo minnows, tossing Optimum's Bad Bubba Shad swimbaits, spooning, or drifting live bluegill. The schools move frequently with fresh fish moving in and out on a daily basis. It is a matter of covering lots of water and looking at certain periods of tidal movement.. Largemouth bass action has been hampered by the cold water from the heavy snowmelt along with significant predation from sea lions while the large female fish are vulnerable on their beds. The bass are trying to spawn, but the water remains cold. Over 150 solid anglers participated in the Wild West Pro/Am tournament over three days with only one limit breaking 20 pounds. The south San Joaquin River below Mossdale remains high and muddy, and action is limited to cut bait for catfish and the occasional striper.
