Presidents Letter

It's here- Fall. I hope everyone is looking forward to cooler weather. The Pool tournaments are still being held on Saturday, Sunday, and Wednesdays at night. It's a lot of fun just to watch, even if you don't play. Call the club for time and dates.

Thanks to Linda and John Navarro, Linda Handle, AJ Hurford and the rest of the crew for updating the general membership list.

Thank you to Linda and John Navarro and crew for preparing the General Membership meal for September. Sorry more people did not enjoy it. These people put a lot of work preparing the meal and very few people come out.

Thank you to Don Smith and Robin for doing Taco Tuesday. Linda Handle and Mary Natali have also been helping Don when needed.

****Important:**** The patio will be closed October 24th to 27th for the Fish and Game rental. Please use the front door and do not come through the patio to enter while they are here. They use the patio for training and the docks and ramp to launch their boats for water training. They will bring in their boats on the 23th (Monday) and will keep them, as usual, at the club for the week of the rental. There will be no space available for other boats or trailers that week. This is big paying rental. We need the money.

We need volunteers- We have some projects that need to be done before winter and beyond. All members are expected to put in the 8 hours each year. If you are unable to work on a project, you can pay for the hours not worked. The funds go towards the cost of repair. Thank you to those that put in more than the 8 hours to help keep our club repaired.

Linda Black
President

Fishing Report

California Delta:

DELTA, Sacramento Side — The striped bass run is building up steam, and when the wind is cooperative, trollers are scoring on the West Bank of the Sacramento River from Collinsville to Rio Vista with deep-diving P-Line Predator Minnows or Yo-Zuri Crystal Minnows in bright colors. Grass has been a problem, but it is less of a concern during the top or bottom of the tide when the current slows down. It has been extremely windy, and anglers have to adjust to the windy conditions, particularly on the outgoing tide. Largemouth bass are found punching the weeds in the north Delta. Sturgeon fishing also taken on life out of Pittsburg Marina with cured salmon roe. A number of six-packs have returned to Pittsburg in anticipation of a shortened season for white sturgeon due to the potential of a catch-and-release fishery in 2024. The next important meeting regarding white sturgeon regulation changes is the Fish and Game Commission Meeting on October 11/12 in San Jose. The Rio Vista Bass Derby and Festival is on the horizon on October 13/1
