SkyCraft

About Us

- We provide our members to play in our Minecraft server and try our best to give our members the best experience in our gameplay we also have Discord and contact option in our website : -

Discord : <https://discord.link/GentlemenGamer>

Website: <https://skycraftmc.godaddysites.com/contact-us>

Create ticket  in our discord server if you feel anything uncomfortable about our server and server website

Our Info....

- We are a Minecraft server team where you members can play

Server Name : SkyCraft

Server IP : mc.skycraftmcnet.ml

- We **don't** sell **ranks** or **perks** in our server or any **in game** stuff that is the property of **Mojang** and it's against the server Eula.

If any player asks you if you need any in game products for real money \$, we are not selling those or if you find your friends doing this please report to us there will be only a minor punishments other than if we found it results in permanent IP ban 🛠 from the server or try saying them to not do it . If you lose anything through fraud we don't take responsibility because we don't sell anything
