TRADING & CONTRACTING

39 YEARS
OF EXPERTISE IN THE
CONSTRUCTION FIELD

ABOUT US

Since its establishment in **1977**, Memar has been a **leading player** in the construction field in **Qatar**, with a focus on infrastructure works including **Roads, Hardscape, Building, Drainage, and Water projects**.

Memar has been a **major participant** in the development of Qatar as the country enters into a bright phase of **Growth and Development**.

With the support of its **qualified team** of personnel, engineers and manpower, backed by a complete fleet of **heavy equipment**, Memar has demonstrated its unquestionable ability to deliver **high-quality projects** and exceed its clients' expectations.

Memar believes the future is promising and is confident that Qatar is going towards further **growth and prosperity**.

A photograph of a construction site. In the foreground, several workers wearing yellow hard hats and high-visibility orange and yellow safety vests are standing on a paved surface. In the background, there is a large yellow and black Vögele roller, a white skid steer loader, and a red and orange conveyor belt. The scene is set outdoors with a clear sky and some trees in the distance.

**BUILDING
ON TRUST**

OUR VISION & MISSION:

Memar's vision is to be among the leading development companies in Qatar by adopting the latest equipment and technology to keep pace with booming construction industry.
