

Three events each year in which we whole-heartedly invite you to!

- 1. The Annual Fabulous Fourth of July** where the militia and local of King Mountain attack and take the British on the mountain behind the stage at the King Mountain Walking Track (right next to the KM YMCA). This is a one night event with the largest fireworks show in the region, music and bands, free food and free drinks for reenactors. 6:00 music, battle at 9:30 then fireworks.
- 2. Beach Blast** - water wars, beach bands, food, shooting duels, sword fighting and our Pirates and Privateers with cannons!
- 3. The Annual Gateway Festival** held the second Saturday of each October (October 10, 2009 for planning purposes). Live burn on field, cannons, skirmish, speakers, authors and more all welcome.

We need to increase the size of our skirmish to a battle encompassing cannon, troops of the Continental Line, British, Jaeger Corps, other local militia and horses. Ladies and children welcome. Large bountiful meals and bounties all units. Please let us know your bounties to be paid. For more Event Coordinator and Volunteer marti@theinnofthepatriots.com
