

**Mongiello Holdings, LLC Internet Use Program
Programa Del Uso Del Internet**

Disclaimer

The Internet is a worldwide network of computers that contains millions of pages of information. Users are cautioned that many of these pages include offensive, sexually explicit, and inappropriate material. In general, it is difficult to avoid at least some contact with this material while using the Internet. Even innocuous search requests may lead to sites with highly offensive content. Additionally, having an e-mail address on the Internet may lead to receipt of unsolicited e-mail containing offensive content. Users accessing the Internet do so at their own risk and the Mongiello Holdings, LLC and associated companies is not responsible for material viewed or downloaded by users from the Internet. To minimize these risks, your use of the Internet at Mongiello Holdings, LLC and its associated companies Mongiello Holdings, LLC and it's DBA's of The Inn of the Patriots Bed & Breakfast, The Civil War Sailor & Marine Magazine & Association (CWSMMA), Jersey Sailor Restaurant & Show, Cooking with Chef Marti, Mongiello Associates, Okamoto – Mongiello Nihon, Tervuren - Mongiello - Koning & Estilo, having an address of PO Box 114, 301 Cleveland Avenue, Grover, NC 28073 is governed by the following policy:

Permitted Use of Internet and Company Computer Network

The computer network is the property of Mongiello Holdings, LLC ("Company") and associated companies and may only be used for legitimate business purposes. Users are provided access to the computer network to assist them in the performance of their jobs. Additionally, certain employees ("Users") may also be provided with access to the Internet through the computer network. All Users have a responsibility to use Company's computer resources and the Internet in a professional, lawful and ethical manner. Abuse of the computer network or the Internet, may result in disciplinary action, including possible termination, and civil and/or criminal liability. *Mongiello Holdings, LLC ("Company") and associated companies will advance its posture towards police reporting, investigation and legal action against any offender starting August 15, 2005. Company will also seek to act against offenders in court related documents thus creating a record of abuse held on the New Jersey public record.*

Computer Network Use Limitations

PROHIBITED USES. Without prior written permission from Company, the Company's computer network may not be used to disseminate, view or store

commercial or personal advertisements, solicitations, promotions, destructive code (e.g., viruses, self-replicating programs, etc.), political material, pornographic text or images, or any other unauthorized materials. Employees **may not** use the Company's Internet connection to download **games** or other entertainment software (including screen savers), or to **play games** over the Internet. Additionally, you may not use the computer network to display, store or send (by e-mail or any other any other form of electronic communication such as **bulletin boards, chatrooms, Usenet groups**, etc.) material that is fraudulent, harassing, embarrassing, **sexually explicit, profane, obscene, intimidating, defamatory or otherwise inappropriate or unlawful**. Furthermore, anyone receiving such materials should notify their supervisor immediately. The failure to notify a supervisor will be an outright violation of this policy. Work is a place to conduct work, as a professional business man or woman, one whom is desirous of becoming a noted citizen within society. We must protect the family of owners and corporation.

ILLEGAL COPYING. Users may not illegally copy material protected under copyright law or make that material available to others for copying. You are responsible for complying with copyright law and applicable licenses that may apply to software, files, graphics, documents, messages, and other material you wish to download or copy. **You may not agree to a license or download** any material for which a registration fee is charged without first obtaining the express written permission of the company.

COMMUNICATION OF TRADE SECRETS. Unless expressly authorized to do so, User is prohibited from sending, transmitting, or otherwise distributing proprietary information, data, trade secrets or other confidential information belonging to Company. Unauthorized dissemination of such material may result in severe disciplinary action as well as substantial civil and criminal penalties under state and federal Economic Espionage laws.

Duty Not to Waste Computer Resources

ACCESSING THE INTERNET. To ensure security and avoid the spread of viruses, users accessing the Internet through a computer attached to Company's network must do so through an approved Internet firewall or other security device. Bypassing Company's computer network security by accessing the Internet directly by modem or other means is strictly prohibited unless the computer you are using is not connected to the Company's network.

FRIVOLOUS USE. Computer resources are not unlimited. Network bandwidth and storage capacity have finite limits, and all Users connected to the network have a responsibility to conserve these resources. As such, the User must not deliberately perform acts that waste computer resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, sending mass mailings or chain letters, spending excessive amounts of time on

the Internet, playing games, engaging in online chat groups, uploading or downloading large files, accessing streaming audio and/or video files, or otherwise creating unnecessary loads on network traffic associated with non-business-related uses of the Internet. Work is a place to conduct work, as a professional business man or woman, one whom is desirous of becoming a noted citizen within society. We must protect the family of owners and corporation.

VIRUS DETECTION. Files obtained from sources outside the company, including disks brought from home, files downloaded from the Internet, newsgroups, bulletin boards, or other online services; files attached to e-mail, and files provided by customers or vendors, may contain dangerous computer viruses that may damage the company's computer network. Users should never download files from the Internet, accept e-mail attachments from outsiders, or use disks from non-Company sources, without first scanning the material with Company-approved virus checking software. If you suspect that a virus has been introduced into the Company's network, please notify Company immediately.

No Expectation of Privacy

Employees are given computers and Internet access to assist them in the performance of their jobs. Employees should have no expectation of privacy in anything they create, store, send or receive using the company's computer equipment. At times, security monitoring may occur or training may be utilized. The computer network is the property of the Company and may be used only for Company purposes.

WAIVER OF PRIVACY RIGHTS. User expressly waives any right of privacy in anything they create, store, send or receive using the company's computer equipment or Internet access. User consents to allow company personnel access to and review of all materials created, stored, sent or received by User through any Company network or Internet connection.

MONITORING OF COMPUTER AND INTERNET USAGE. The Company has the right to monitor and log any and all aspects of its Computer system including, but not limited to, monitoring Internet sites visited by Users, monitoring chat and newsgroups, monitoring file downloads, and all communications sent and received by users.

BLOCKING SITES WITH INAPPROPRIATE CONTENT. The Company has the right to utilize software that makes it possible to identify and block access to Internet sites containing sexually explicit or other material deemed inappropriate in the workplace.

Acknowledgement of Understanding

I have read and agree to comply with the terms of this policy governing the use of Mongiello Holdings, LLC's computer network and internet use policy – regardless if I am a contractor or employee. That pretty much means anyone associated with the company – including relations even with vendors. I understand that violation of this policy may result in disciplinary action, including possible termination and civil and criminal penalties. I’m taking this very seriously. I understand what these folks are talking about.

Questions or reports can always, openly be made to the IT Director, Mr. Andrew M. King or Manager, Martin CJ Mongiello. We welcome suggestions and have an open door policy.
