

# OakRidge Village II Homeowners Association

---

September 23, 2012

Hi, Neighbors;

It's fall and our beautiful trees will soon be bursting with color. This time of year reminds us of how beautiful our neighborhood is.

I want to thank those who responded to our call for new Board members and thank those who have served in the past.

Eugene Griggs has fulfilled his position as Recorder, and Margaret Atkinson has assumed that role. Thank you, Gene, for your years of service! And thank you, Margaret, for being so involved in the neighborhood and stepping in to this responsibility.

Also, Marcus Wiley has stepped down as Treasurer, and that position has been taken by Linda McGlothlin. Thank you, Marcus, for your many years of service. Marcus will still be helping from time to time with special projects as needed. Linda has been serving with Marcus this past year, and that has made the transition easier...thank you Linda.

Jean Haukaas has accepted the position of Architecture review. She brings to this position past experience in design and decorating. Thank you, Jean for stepping up to serve in this way.

We still need to fill two more Board positions by the end of 2012. Peter Eberhard will be vacating the position of Landscape management this year and we need someone who can step in to fill this position. And the position of Board president will need to be filled also by the end of this year. Anyone who would like to check out these positions please contact a BOD member at our website [www.oakridgehoa2.org](http://www.oakridgehoa2.org). The time requirement is minimal and the service to the community is needed.
