

Dear Friends,

Becky, Chauncey, Tatymn and I would like to invite all of you to our 23rd annual Charolais and Red Angus Bull Sale. I am really pleased with the quality of the bulls we are offering this year and think they are as deep of a set of bulls as we have ever offered. There is a real good selection of yearling and 2 yr old bulls in each breed along with 3 Black-Red carrier Angus bulls.

Once again we experienced extremely dry conditions over the summer and then went right into a classic South Dakota winter experiencing equally harsh conditions. Despite this, the bulls have done well and developed into what they need to be to go out and work this summer. As always, we develop the bulls on a high roughage ration focused on rumen development and good feet and legs.

Pounds pay, and there is no other breed that shows this better than Charolais. With breed identity, the buyers always know what they are sending their customers when they buy silver and buckskin colored feeder cattle. For 70 years, Charolais has been the heterosis leader when it comes to crossing with a brittish based cow herd.

There is no other female that is more sought after than the Red Angus female. Day after day Red Angus heifers are out selling their steer mates. This comes with good reason, the docility and maternal characteristics of the Red Angus female are unmatched. In this offering you will find a really good set of heifer safe bulls along with some power bulls that would really work on a set of Red Angus or crossbred cows.

We would like to invite you to come and inspect the bulls any time before the sale. The bulls will be at Huron Continental Marketing on Thursday, March 30th and the sale will start at 1:00 pm cst on Friday, March 31st. This year we are utilizing both DVAuction and Cattleusa to provide our customers more access to online bidding. Videos will be posted on DVAuction so feel free to look the offering over from the convenience of your home. If you need assistance in registering to bid please contact me. Feel free to call any time to discuss the bulls and we hope to see you all at the sale.

Thank you very much for your interest!
