

Supply Multiply

God has been faithful in this season of transition. In Montrouis, the elderly at the Matthew 25 House are doing well. We are happy to report that many students are attending school! There have been some road blockages and disruptions, but there has also been a slight shift to calmness in all this uncertainty.

This upcoming summer we have two mission trips. Supply and Multiply is heading to Honduras and Jamaica! These are exciting opportunities and we look forward to sharing more details about how you can be part of future trips! Travel to Haiti for the foreseeable future is on hold.

From the beginning of Supply and Multiply our heart has been to empower and equip indigenous community leaders. We come alongside indigenous brothers and sisters with prayer and direct support in order to aid the local community in service to the Lord. We love watching God work as we continue to minister in Montrouis through ministry leaders. We are also moving forward in faith as we go through other doors that are opening to empower others serving the Lord around the globe.

HOME RENTALS

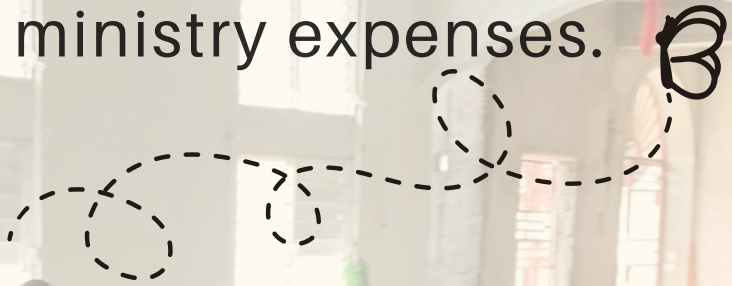

We are happy to share that we have renewed several families rent for one more year! Safe stable housing in Haiti is a true blessing. This is only possible because of our faithful supporters.

MISSION TRIP TO HONDURAS

We are partnering with Ebenezer School in Honduras to share the Good News! We will be sharing signing songs, sharing Bible stories, and making crafts with students! We are excited to see how God will use us and open to the vision for the future!

You can support our upcoming working vision trip to Honduras by purchasing an item or two from our Amazon Wish List. In addition, you can donate directly to the ministry to help offset luggage and ministry expenses.

SUMMER
TIME

Over the summer months mission teams are often in Haiti helping the local churches with summer bible programs for children. We also conduct church leadership and pastoral training. With the current conditions in Haiti, this summer we will not have mission teams serving in Haiti.

Pastor Jeremey is the Assistant Director of Supply and Multiply and oversees the daily operations of the ministry. He also serves the Pentecostal Church in Montrouis. Many of you have served at this church and it is also the host site for Night to Shine.

Pastor Jeremy and the church desire to continue summer programs for the children. We are excited to see the stability of the church and growth of evangelism that comes out of their congregation! We also continue to partner with them in their work to share the Good News in the prisons.

Would you prayerfully consider supporting this program?

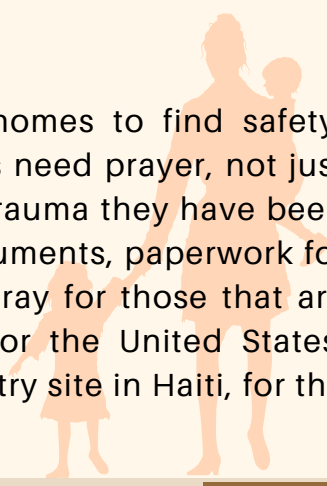

RICO

IF you have ever met or heard about Rico it is probably because he is hard at work on a machine you are getting a part for or need to use. He is a hard working young man that loves working. He had a serious accident where the machine he was working on caught fire. He is resting and healing. He needs continued prayers for his burns to heal without infection and little scarring damage.

REFUGEE CARE

Supply and Multiply continues to support refugees who have fled their homes to find safety, employment, medical care, and schooling for their children. Many individuals need prayer, not just for the tangible needs in transition, but also for their minds to heal from the trauma they have been living with over the past years. Please pray for work permits, immigration documents, paperwork for schooling, and financial assistance during this season. In addition, please pray for those that are experience a new living environment whether that be in their homeland or the United States. Everything is unfamiliar and new. Pray for those that seek refugee at our ministry site in Haiti, for the protection of their lives and personal belongings.

OCT 1	
SAVE THE DATE	2PM
Hosted At: Liberty Spring Christian Church 4213 Whaleyville Blvd, Suffolk, VA 23434	Come hear about what God is doing!
