

## Ministry Gathering

A HUGE thank you to everyone that came to the Liberty Spring Christian Church (LSCC) missions conference, attended Sunday services at LSCC or Cypress Chapel, and/or attended the ministry gathering. It was a beautiful time of sharing what God is doing and how you can partner with Supply and Multiply. God is on the move and we are excited for the next steps!

## SCHOOL IS IN SESSION!

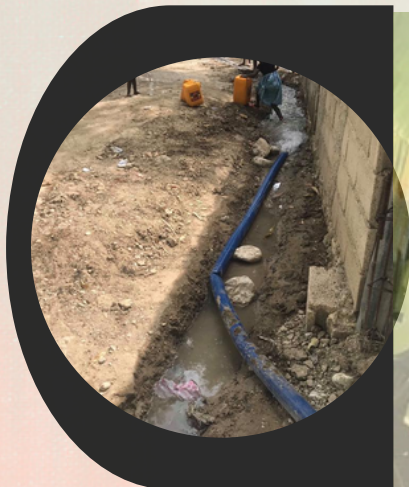

Life is hard in Haiti, but we are pleased to report that many schools have opened and the students can safely attend. We are in constant prayer for their ability to continued with their education. As photos are coming into us, we will be getting them out to current school sponsors.

School is on break in Honduras at the Ebenezer School. They attend year round school with session breaks. The students had a end of session party to celebrate the break.

The Ina Brown Early Childhood Development Center started school in September. They are enjoying the new educational items and classroom make overs.

Please continue to support the work of educating future generations!

# MINISTRY NEEDS

## River Water Pump

The water pump generators that pump water from the river to the fishing village have broken. We have had two running for almost five years. They have exceeded their lifecycle and need to be replaced. With Haiti's food crisis, providing water to the gardens is necessary. The estimated cost with shipping and customs fees is \$1500 for two.

## Work Authorization

Refugees that have come to America need Work Authorization to obtain work in the States legally. This also provides them with their Social Security Number. This is imperative to their success. However, the application fee is \$410. We currently have eight people in need of help with their fees. Would you consider sponsoring someone so that they can enter the workforce?

## Refugee Travel

The ministry is assisting numerous individuals and families with their relocation. You can support our refugees with general donations to aid their travel and adjustment. Every dollar matters!

## Matthew 25 House

We need your continued support to care for the Matthew 25 House Residents. Food and fuel costs continue to rise, affecting not just our residents' needs but also the wages we pay our staff so they can provide for their families.

**A MOM PICKING UP BACKPACKS FOR HER CHILDREN**

**PASTOR GERMAIN'S CHILDREN HEADING TO SCHOOL**

**CHRISLOVE IS TRYING ON HER SCHOOL UNIFORM**

We are working on sending out letters for school sponsorship, please consider continuing your support if you are a current sponsor. If you are not, you can make a one-time donation to our school program. Students in our program receive full tuition, uniforms, and books. Other students who seek assistance receive help in various ways, such as through uniforms and backpacks. In addition, we assist schools with repairs, books, new desks and chairs, and another education-related requests.
