

Precious Friends and Supporters,

May 19, 2022

God has blessed us to be able to come to you with a much needed and beautiful opportunity to match donations to Supply and Multiply's efforts for the Lord in Haiti between now and the end of July. Any donations up to the first \$10,000 will be matched dollar for dollar! Praise The Lord!

Thanks to our incredible home build partners "One Heart 2 Homes" in California and the precious family behind "Weeks Construction" in Virginia for sponsoring this matching campaign!

Between travel restrictions related to COVID-19 and the current political crisis in Haiti our mission team activity and ability to be in churches, vendor fairs, and other fundraising opportunities have been greatly diminished for the last two years. Supply and Multiply depends greatly upon these resources for ongoing donations. Even when faced with financial challenges like these, as founders Christina and I, the Board of Directors, and our in country director of daily operations, Gary, agree that the work must continue. Our work is crucial in Haiti.

From church leaders, teachers, the medical community, to local government and civic leaders, the resources we provide in Montrouis have become an essential part of the community. Church leaders count on our Matthew 25 House (residential care facility) and other ministries. We recently provided medical aid to a elderly woman struck by a car. Her grandson took her to us because he had nowhere else to turn. She was treated and is doing well. This is just one of countless examples of how your prayer, participation, and partnership is making a tremendous impact in real lives.

Our core ministries include elderly care, food delivery to the most vulnerable, school sponsorships, home builds, childhood evangelism, church partnerships, we maintain water pumps to support agriculture and daily community needs, and so much more. This work of the Lord in Haiti must continue.

In addition to one time giving for this campaign or at any other time, we're hoping that individuals and churches who have not already done so, will prayerfully consider making a regular commitment to Supply and Multiply. We're praying that The Lord leads you to be a part of His work through us. Many Blessings in Christ!

Rev.Dr. Chris Surber  
Founder / Executive Director
