

We continue to bring the message of Christ's love and compassion!

After the first of the year Supply and Multiply had a mission trip scheduled to go to Haiti. Unfortunately, with the instability that Haiti is facing, we cannot go at this time. HOWEVER, we are blessed with the opportunity to go serve Haitians in the Dominican Republic. This will include an orphanage in the DR that serves Haitian children. We will also be in the Bateyes which are small rural settlements on sugarcane plantations that are home to Haitian and Haitian-Dominican migrant sugarcane workers and their families. We ask for your support and prayer as this is hard knowing the impossibility of going to Haiti at this time. Again, we are thankful that the Lord has opened the doors for us to go to the Dominican Republic.

We have been incredibly blessed by the out pouring of support and encouragement for Supply and Multiply during this very difficult season of ministry. Many of you have asked how you can help Haiti? Sadly, we do not have an answer for that question. However, you can partner with us to meet the tangible needs of the Haitian people. We have a list of things that we would like to take on our upcoming trips. These items are for various different needs to include our ministry site in Montrouis Haiti. For safety reasons we cannot publicly post all details, if you have any questions please message us directly.

There are a few ways you can help! First, please be in prayer. We want to be a blessing and reflect the love and compassion of Christ. Second, we have an Amazon Wish List. We know that sometimes the items are more expensive than at the typical store even more so if you are someone that is great with coupons and deals. Message us if that is you! We will work out getting the items from you. Do you have a connection to help us get bulk toothbrushes and toothpaste? This is a huge need we would love to meet! Lastly, you can make a financial donation to help cover the cost of us purchasing items here in the states and at the ministry location.

Update on Instability in Haiti: It was a month ago that we came to you with a desperate prayer need. The American and Canadian kidnapping victims are still being held hostage. Please know, that many Haitian lives have also been taken and kidnapped during this crisis. On Monday after weeks of the gangs not allowing fuel to be released from the port, it was allowed to be delivered. However, it has not reached all the areas and we are not sure for how long it will be able to be delivered. The government is still in disarray and there is no current ability to hold elections. Please remain steadfast in prayer for the nation and for Her people. The Haitian people are resilient and we are trusting God that His light is shining bright even in the darkest moments. Supply and Multiply is deeply invested into Montrouis Haiti and we remain steadfast in our commitments. We daily communicate with the Supply and Multiply family. Please continue to pray!
