

## **Corridor Woodcrafters Club Meeting – June 2, 2016**

We met at Langhoff Lumber at 6:30pm.

Bud and Brad showed us the retail shop as well as a tour of the sawmill. They have a 52” blade with 50 replaceable teeth. It runs 600 rpm and can cut a 24” log. Power is supplied by a tractor PTO.

They also showed us the big surface planer and large bandsaw.

Following the tour they cooked up hamburgers and hot dogs for us.

### **Upcoming Stuff:**

#### **Woodfest August 26-28**

Friday 8/26, 11-5; Saturday 8/27, 10-5; Sunday 8/28, 10-4

In the AIR-CONDITIONED buildings at the Amana RV Park

**We need volunteers** to man the table and we’re looking at 3-hour time slots.

Also consider bringing something to show off and something to donate for the club to sell.

Anybody have anything they are willing to do as a demo?

### **Meetings:**

**July 7,** Joannie West will be doing an inlay demo

**August 4,** Vern Rotert will be doing a SketchUp demo

**September 1,** Swap Meet

**October 6,** Jameel Abraham will show us his tool sharpening techniques

**November 3,** We will meet at Tom Nehl’s in Marion where his wife Stacy will do some wood burning art

**December 10** will be the annual Christmas Party at Antioch Church at 11 am.
