

Corridor Woodworking Club Meeting Minutes

I am getting this out a little late and offer my apologies. The November meeting was our annual election meeting, notes below. We did not have an actual meeting in December, but instead had our combined Christmas party with the Wood turners, held on December 4. We were expecting about 9 members to attend with tier guests. I was unable to attend, but I am sure a good time was had by all.

Notes from November meeting:

-

November meeting was held in the basement of the Cherry building on 11-18-2021 at 6:30 pm. There were eleven members in attendance. Our attendance has been down since the beginning of the Covid Pandemic. If anyone has any ideas how we can increase meeting attendance, please let one of the board members know of your suggestion so it can be considered.

Near misses – none

Project questions- Fred Kline asked about cutting thin strips and it just so happened that someone had brought a jig for cutting thin strips as part of our Demo.

Demo was a collective one where members were requested to bring their favorite, most used jig or tool and asked to say something about it. Several members brought items to share. These items include a router guide, digital measure device, miter square, combination square, router, shop made sanding blocks, paint scraper, thin strip table saw jig, long straight edge, Starrett angle gauge, and center finding jig. (thanks Tom St john, Tom Nehl, Jim, Tim, Larry Luebbert, John Schwartzkopf for bringing items in.)

Election:

President – Tom St john moves to President for 2022 after serving as Vice President during 2021.

Vice President – Larry Luebbert ran unopposed

Treasurer – Vern Rotert ran unopposed

Secretary – Tim Vest ran unopposed.

All were elected by unanimous vote.

Up-coming events-

Next Club meeting – January 20, 2022 Demo will be another collective and members are asked to bring their table saw or router sled to show and discuss it's construction and use.

Next Board meeting: January 25, 2022

Yearly dues are due in January. (\$25)

Show and tell:

Jeff Van brought in a cutting board made from whisky barrel slats (see attached photo)

Larry Luebbert brought in a very nice table (see attached photos)

Happy New Year and I hope to see everyone at the January meeting.

Tim
