top

**Traditional Values to include Families, Individuals, Community with a range of opportunities to suit all age groups**

- Prioritising low cost
- Sharing good gardening practice
- Five beautiful Flower shows
- Baking and craft exhibits
- Special children's projects
- Encouraging fun, friendship and well being by joining in

### What we offer

A widening programme of events based on what members tell us is helpful

- Supporting Community horticultural projects in partnership with others
- Facilitating the Epsom College Community Scheme
- Embracing local countryside and wildlife projects
- Interesting talks and lectures
- An annual value coach trip
- Excellent links with local Allotments
- Opportunities to join the BHS Committee

We have a great team of folk who help us pull it all together and have fun at the same time. If you like helping out there are lots of small opportunities to make new friends and support the Society too.

**This is a gardening Society where the members matter.**
