

OPERATION: LIGHTS ON  
FREEDOM

# FREE SOLAR FOR VETERANS

Operation: Lights On Freedom is a nonprofit organization looking to provide FREE SOLAR for our veterans and/or their families.

With every solar system that is installed through one of our partners, \$300 will be donated to Operation: Lights On Freedom.

After every 50 installs, or until we reach our goal, we will install a FREE solar system on the home of a veteran or their family.

Donations can be made through GoFundMe or contact one of our partners at the website below
