A Personal Touch

We take time to get to know our clients as we work together to create a bespoke package specifically suited to your own individual requirements.

"Our Fairy Godmothers!
They waved their wands
and created magic. Our
Daughter's wedding day
was perfect"

Bringing your Vision to Life

Every wedding and event is unique, and we blend our skills together with your vision to create an occasion to remember. Our clients come to us for elegant, fun and glamorous events.

We are multicultural planners and stylists, and honouring your traditions is extremely important to our team.

A Day to Remember

Whether we are working in a grand stately home, an intimate country house on a private estate, a rustic barn in a remote countryside location or a blank canvas marquee, our approach is always the same. Our team has years of experience in delivering truly unforgettable weddings and events.

"We were so blown away by the whole Ticketboxoo experience. We could not have made a better choice"
