"Owners are lovely - they live next door and met us when we arrived with a friendly welcome. They told us what we needed to know and then left us alone to enjoy our time. The place itself is really nice. It is clean and is a good amount of living..."

### Very lovely stay

10

 Super cute home with a beautiful view. Super clean and comfortable with access to Netflix on a big screen from a comfortable couch in the lounge room.

 everything was perfect

## As the place was very terrific, Jackie and Kerry was even better. What a nice couple!

- 😊 Everything was perfect!
- 😞 Nothing, as everthing was really fantastic.  
We were sad that we could not stay longer.

## Hidden gem indeed

- 😊 A home away from home. Jackie and Kerry felt like old buddies. They took time to show us around.  
The place is exactly as described. Very clean and facilities very new and nice small things around.  
We would love to go.back.
