Wear Forever. Live Forever.

There's something to be said about what we leave behind. What we filled our shoes with. What kind of footprints we left. What kind of movements we made. Who we became. Who we are. Maybe what's important is how we committed to better. How we set out to make a positive impact in whatever we did, for whoever we met, wherever we went. Let's make a legacy that lasts.

S&S Exclusive

adidas apparel is available exclusively at S&S Activewear and is made with recycled polyester.

Virgin Polyester

By 2024, adidas will have eliminated virgin polyester from their manufacturing materials.

Carbon Footprint

By 2030, adidas will reduce their carbon footprint by 30% (compared to 2017).

Cotton

100% of all adidas cotton is already sourced sustainably (BCI - Better Cotton Initiative cotton).

Explore All Things *New & Trending*

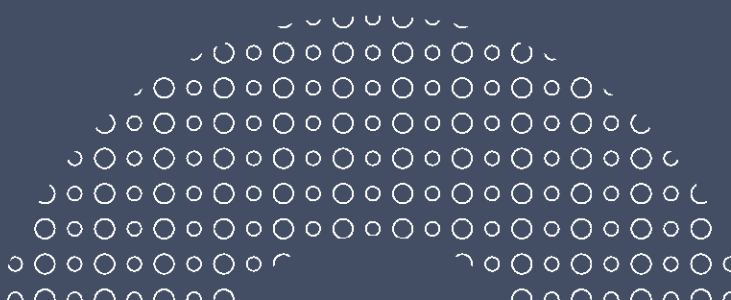

Open your mind, creativity, and inventories up to make room for something new for your next uniform lineup. We've added ALL-NEW, trending retail silhouettes and additional seasonal colorways to a growing, exclusive **adidas** selection.

Check out entirely new collections of style-forward items, from trendsetting leggings and shorts to timeless performance tees and polos. Discover endless possibilities for novel co-branding opportunities and some new additions to key styles with youth sizing to round out teams and programs.

With access to new styles, your business can explore an omnichannel approach to styling solutions that drive your brand's success, season after season.

When you browse through these pages, you can feel confident knowing that all adidas products are made with 100% recycled polyester fabrics and/or BCI cotton. This bold, conscientious manufacturing move is changing the status quo of the wholesale industry *for good* by providing options for regenerative fashion, *ending plastic waste*, and protecting our planet.

Explore a new frontier of blank apparel with **adidas**.
