

Our mission is to expand the Monroe community's human service capabilities through financial support and networking

WHAT NOW?

We are a grass roots organization formed by a team of dedicated leaders throughout Monroe County. As such, we welcome to membership those who are committed to growing our reach and expanding our mission through the strength of networking.

WHY?

Monroe County is home to many non-profit organizations who serve individuals-in-need throughout our community. However, we know that these organizations have specific focus areas and, at times, limited funding. C.U.P. was created to be the path forward when individuals have exhausted all other options for emergency assistance.

HOW ELSE CAN I SUPPORT C.U.P.?

We are actively seeking funding to provide emergency human services in Monroe County. Your financial support of our mission ensures that we are able to provide assistance where there otherwise may be none. A community that comes together is able to do great things--BIG THINGS--where as individuals our capabilities may be limited.
