

# COC IN THE MONTH OF MARCH

Psalms 119: 9 - 11 NLT

"How can a young person stay pure? By obeying your word. I have tried hard to find you— don't let me wander from your commands. I have hidden your word in my heart, that I might not sin against you."

## Once Upon a Saturday Morning at Christian Outreach Center...

I am excited to share with you how well our new sermon series is going, entitled, "Who Does God Say That I Am?". Each week we have had a different topical discussion that highlights how God see us— as His children. He sees us as valuable, righteous, redeemed, strong and victorious. Through these topics, we have taught the stories of Gideon, the Armor of God and other biblical truths.

Our Saturdays look like this: the children arrive to a hot breakfast waiting for them. After breakfast, the children have the opportunity to participate in three stations. Two of the stations change each week. Some examples of our stations include object lessons, crafts, word searches, games or other interactive learning opportunities that all to help drive home the lesson for that day. One of these stations is always a

memory verse station. Each week we have a memory verse that the children can memorize for a treasure box prize. Let me just say how impressed I am with how well the children are doing with committing scripture to memory!

The Bible says in Psalms 119: 9 - 11, "How can a young person stay pure? By obeying your word. I have tried hard to find you– don't let me wander from your commands. I have hidden your word in my heart, that I might not sin against you." These children are learning to lock scripture in their hearts and minds – Hallelujah! The Kingdom rejoices every Saturday morning.

After the children participate in stations, we gather together as a group for the church service, where the children are presented with the lesson of the day. Then we dismiss for the ride home, with a snack bag and a hot take home meal for every child.

We are planting seeds at Christian Outreach Center. Every Saturday, we are sowing diligently, so that one day these children will reap bountiful harvests. We thank you for your continued, faithful partnership in our sowing. Thank you for the opportunity to give you an inside peek at our day each Saturday morning. I hope you feel more connected with the ins and outs this ministry. God is continuing to use us in a mighty way. We are reaching kids who without us may never have received the opportunity to come to know Jesus in a safe nurturing environment, like we provide at COC.
