

COC IN THE MONTH OF FEBRUARY

What's Been Happening...

GOD'S HELPERS JOIN US FOR A BEAUTIFUL DAY AT THE PARK

What a perfect day for the park! The bluest of blue skies made the greenery POP!!

On Saturday, February 24th, we had our monthly outing to Largo Central Park. Our friends from Keswick's Student Leadership Program came and blessed the children. Having them there was so very helpful, and the kids loved playing with the teenagers!

GOD KEEPS ON BLESSING THIS MINISTRY WITH EVERYTHING WE NEED!

This has been a great month! Each week, we show up and get to hang out with the kids. The relationships that are being formed between myself, the team, and these precious children are invaluable to the Kingdom of God. The proverbial walls have been coming down within them since we have started up the 2023-2024 school year, and the children have grown to trust us. As we get closer to their hearts, we learn more about the kids each time we get together.

After prayerfully considering all of the children and their needs, Sabrina and I have started a new sermon series called, “Who Does God Say I Am?” It has been incredible to interact and teach these kids about their identity in Jesus. Something fun that goes along with a new sermon series are picking out new songs! We chose a really lively theme song, complete with hand motions, called Child of God. It gives everyone a chance to really get moving! And isn't it just like GOD to send motivated young people to COC, for such a time as this!

I would like to give a great big shout out to a wonderful group of teenagers coming from Keswick's Student Leadership Program, which is led by Pastor Dru Grubbs. For the last month or so, these dedicated young people have been showing up for Jesus. It has been an honor to be able to serve with them. They have jumped right into helping however they can. Not to mention, we appreciate their dance moves (and energy) too! This expands nicely on the vision of people taking the opportunity to embark on a two hour mission trip once a week with us, as we “go” into the community and bring the kids the Gospel of the Good News of Jesus Christ!

We look forward to this month and the blessings we will get to share with you in our next newsletter!

God bless you and thank you for your generous support!
