

# DESIGN WITH THE FUTURE IN MIND

## Material Sustainability Highlights

### Above View

#### Artesian Ceiling Tiles

- Made in USA (Milwaukee, WI)
- HPD

### Arbor Wood

#### Thermally Modified Decking/Siding

- Made in USA (Duluth, MN), US-sourced raw material
- HPD
- Declare
- Red List Free
- FSC (on request)
- Inherently non-emitting
- 100% biodegradable

### Bendheim

#### Architectural Glass

- Sourced from various suppliers
- HPD – Channel Glass

### Bradley Corp.

#### Commercial Washroom Solutions

- Made in the USA (Menomonee Falls WI, Marion, OH)
- HPD
- Greenguard
- Recycled Content (% varies by product)

### Durat

#### Solid Surfacing

- Made in USA (GA), Finland, China
- HPD
- 28% pre-consumer recycled content
- VOC M1 classification
- Take-back program

### Fräsch

#### Acoustic Products

- Made in USA (Grand Prairie, TX)
- HPD
- Declare
- Red List Free
- RoHS
- REACH
- 55% post-consumer recycled plastic
- 100% recyclable

### GEOS

#### Recycled Glass Surfacing

- 55-75% Recycled Content

### Gilasi

#### Recycled Glass Surfacing

- Made in USA (Chicago, IL),
- Materials sourced within 500 miles of the facility
- HPD
- Declare
- Red List Approved
- Berkley VOC Certificate
- 77-85% Post-Consumer Recycled Content
- Take back program

### glass2

#### Recycled Glass Surfacing

- 99% Recycled Glass without resin

### Koskisen

#### Finnish Baltic Birch Plywood

- VOC M1 classification

### Kriskadecor

#### Chain-link Designs

- 20%+ Recycled Content
- 100% Recyclable

### Organoid

#### Natural Surfaces

- Bio-Based Material
- No VOC's
- Climate Positive Manufacturing Process

### Plyboo

#### Bamboo Plywood Panels

- EPD, HPD, FSC
- Bio-Based Material
