

NOTICE

GLASS BEADED HOME ADDRESSES WILL BE PAINTED ALONG YOUR STREET TOMORROW, WITH YOUR PERMISSION, BY CHRIS COHEN'S HOME ADDRESSING SERVICE.

Have your home address professionally painted in large, easy to see numbers on the curb in front of your home. Only the best quality paint and materials are used. **We use a black or white background with 4" numbers using a powder-like glass beading which is proven to illuminate 20 to 40 times brighter than ordinary painted numbers.**

This service is provided so that **EMERGENCY SERVICES**, such as **POLICE, FIRE DEPARTMENT, AMBULANCE** and **DELIVERY SERVICES** can reach your home with a minimum delay. Homes with inadequate numbering can result in delays and possibly cost lives.

Your address will be placed at an angle on both sides of your driveway and will be easily read from both directions, day or night. For corner lots, addresses are placed on the front walkway and on the corner. If your home requires a third set of numbers, please note on this flyer. **Extra sets are \$5.00 each.**

TO HAVE YOUR HOME INCLUDED, simply fill in your name and address at the bottom of this form and secure it in a **visible place on your front door**. When these notices are picked up tomorrow, your address will be painted on the curb. **You do not have to be home to receive this service.**
