# Our Sustainability Promise

LOULOU LOLLIPOP Muslin Collection

At LOULOU LOLLIPOP, we believe in creating a better world for our future generation, and that's why we're making an effort to ensure that we are as sustainable as possible, from beginning to end.

**Quality** - Our muslin baby goods are OEKO-TEX STANDARD 100 certified; you can be confident that every component of this article, i.e., every thread, button, and other accessories, has been tested for harmful substances, that the garment, therefore, is harmless to your baby.

**Packaging** - We use GRS-certified 100% recycled plastic. When we use recycled plastics to make new plastic products, we conserve more than materials. We can reduce energy usage by 66%. Plus, for every ton of plastic we recycle, we save the equivalent of 1,000–2,000 gallons of gasoline. We also use FSC-certified paper for all our hangtags and paper packaging.
