These flashcards made with 100% food grade silicone are durable and safe. No plastic or mushy paper in the mouth! The cards are essential in baby's development and introduce basic shapes and patterns, facilitating interactive play and early language development through association with visual stimuli.

LOULOU LOLLIPOP

SENSORY TEETHING MITT

BUNNY

Wearable teething toy designed for infants who cannot grasp or hold a standard teether yet. Easy access for baby to self soothe their teething pain, soft and flexible for delicate gums. With an easy-to-grip interior handle, littles can improve fine motor skills while exploring the soothing textured surfaces. Must have for every baby!
