LUCID FUSION  
PUBLIC RELATIONS

Dear Prospecting Employer,

I am happy to recommend Angie Bawany for employment at your company.

I had the pleasure of working with Angie at RMS PR as well as Lucid Fusion PR in Orange County where she had provided support to a team of four on several accounts. Angie was efficient, reliable, very flexible with her time, and willing to do whatever was needed to get any particular task completed on time. Because there were often last-minute deadlines, her cooperative attitude and good cheer were important and appreciated. Although her primary responsibilities were mainly supportive, she quickly assumed many project-related roles as well and began taking on larger tasks such as drafting press releases, managing media pitches, and coordinating special events with press.

Over the time that I have known Angie, she has consistently performed her duties with competence and often goes the extra mile, doing more than expected.

While Angie's leaving our company is a loss to us, I have every confidence that she will thrive in any setting. Angie is an intelligent, committed, and inquisitive individual. I believe that she will be an asset to your company and that she deserves serious consideration as a potential employee. I recommend her highly.

Sincerely,

Shana Starr
