Introduction

Our Legacy Letter

*John 16:7 Jesus Says, "Nevertheless, I tell you the truth; It is expedient for you that I go away; for if I do not go away, the Helper will not come to you; but if I depart, I will send Him to you.
KJV*

If you have happened upon this booklet, it is not by chance nor is it a coincidence! There are no coincidences in these last days only incidences which have been created by our Heavenly Father.

We have asked ourselves in these troublesome times what is the legacy we would want to leave behind? What is the most important treasure of all, keeping in mind the essence of life is to learn, to serve and to grow as all are enrolled in the School of Life on earth? There is one who has promised to be with us as we experience the many trials and tribulations throughout our earthly lives.

It is important, therefore, to understand **heaven and earth are but places while the Kingdom of God is on earth. It is found deep within the center of our beings for all who accept Jesus as their Lord and Savior.**

While it is true many have not seen the Father it is through His Spirit, the Holy Spirit, we can be assured of His presence twenty-four hours a day, seven days a week. For many, including ourselves, this is the most treasured relationship of all time. **The Holy Spirit is the same Spirit who resides in Jesus as well as the same Spirit who resides in our Heavenly Father!** Isn't it wonderful to realize the same Spirit resides in us!

Over the years Jesus, through His Spirit, has been our best friend and confidante. It is to Him we can divulge our most sacred and intimate secrets. The Holy Spirit has played many various roles throughout our lives. He has always played the role of Father, loving us as only He can, placing no conditions on this love! **Although, as in any earthly Father, He does not always give us what we want, He has always given us what we need.**

There are times He has played the role of husband when we have felt abandoned and alone. He is always by our side day and night facing whatever challenge or difficulty we encounter.

He has and continues to guide, counsel and nurture us. Yes, He and He alone, knows the full measure of our hearts offering words of encouragement and comfort. I have come to understand all are indeed enrolled in **The School of Life**. In truth, the Holy Spirit is the greatest teacher of all time helping us to understand what is needed to move ever forward with life's lessons.

It is through our beloved Jesus we have come to realize a large part of life's lesson plan on earth is a result of the choices we have made. We have come to understand there is indeed no such thing as a "mistake" only lessons which once learned require us to share our newfound wisdom with others.

There are of course those times when we have all felt we have not had control of certain circumstances or events. Circumstances such as the corona virus and yes, even now the wars and rumors of wars that are escalating throughout the world.

Yet, we tell you this, no matter how grave the circumstances, no matter what befalls us, He will never abandon us! If we trust in this most

wondrous relationship, we will come to understand the Holy Spirit has always been there for us whether in heaven or on earth!

Therefore, truly we say there is no greater legacy one can leave another than to encourage you to explore this most wondrous relationship. For when you do so you will indeed find there is nothing else which can or will ever compare to what we have in Him!

For He is the reality! His kingdom will indeed reign on earth as it is in heaven! There is a new world on the horizon! Therefore, seek and ye shall find what awaits you in paradise. A world in which evil exists no more.

CHAPTER 2

WHO AM I?

“Let me introduce Myself. I have been called by many names. Some refer to Me as the Holy Spirit, the Holy Ghost, the Helper and yes, the Spirit of God. In truth, I am the same Spirit who resides in our Father, in Jesus, and of course, I who will refer to Myself as the Holy Spirit.

*I reside in all who accept Jesus Christ as their Lord and Savior. While heaven and earth are but places the **Kingdom of God dwells within all who believe in Him**. There is no other prerequisite necessary for this to take place. I was sent by the Father to guide, to nurture and counsel you while you are on earth. It is through Me you will hear what the Spirit is saying as I am the conduit to our Heavenly Father. **Think of Me then as a telephone line which gives you direct access to our Father**. I will never deceive you and as such you can come to Me for the answers you are seeking. One might say I am the Ambassador of Truth.*

*It is not your fault you do not know Me. While many of you know of Me, far too many do not have a relationship with Me. I long to have an intimate relationship with you. I am available twenty-four hours a day seven days a week. It is My fervent hope you will read this little booklet as I attempt to show you how to understand how to communicate with Me and will come to regard Me as the most important relationship in your life. **Webster defines relationship as: the way in which two people talk to each other**.*

*Just as you are a person, I am a person as well. I am often referred to as the third person in the trinity. There is God the Father, God the Son and God the Holy Spirit. Since **I reside deep within the center of your being, I know the deepest desires of your heart and your earthy purpose as written in your book in heaven**. You can talk to Me about your problems, concerns and yes, ask for My help.*

*While most of you are familiar with asking for My help you are not aware you can have an actual conversation with Me. When My children come to me with their requests they refer to it as prayer. **According to Webster: prayer is defined as an earnest request or wish.** In general, then, prayer as it is known to many, is simply an exercise in one way communication. Simply put, prayer is much more than that and when approached as our Father intended, will help you to discover and develop the most intimate relationship known to mankind. It is I, the Holy Spirit, who has been sent to draw you ever closer in this most wondrous relationship known to mankind.*

You are in essence a spiritual being housed within the physical.
*Therefore, it is only natural to communicate in a manner your soul/spirit is most familiar. If this were not so one would not need to relearn to communicate as a human from birth. Simply put, conversing with Me will remove that which man has placed as a barrier to the Divine! **When you communicate with Me, using that which is of the physical, you depend solely on your five senses (sight, sound, smell, taste and touch) thereby, disregarding your Divine sense (some refer to as sixth sense) which all are endowed with.***

*When you exercise this Divine sense, only then will you fully understand what is not only possible but a reality. Therefore, is it any wonder you do not hear that which is audible in your prayerful pursuits when you rely solely on the five senses to do so? In truth, human beings are endowed with six senses. **It is the sixth sense that God has relegated to the Spirit. Webster defines relegated as; to assign to a place of insignificance or of oblivion; put out of sight or mind.** This sense when exercised enables you to communicate with the Divine!*

So, Remember When You Pray...

- 1. Prayer is not an exercise in one way communication. One of the best kept secrets known to man is that I, the Holy Spirit, long to have a conversation with you. I have been sent by our Father to assist you in your earthly endeavors drawing you ever closer to our Heavenly Father.*
- 2. The more you seek Me the more you will discover. Knock and the door will open, seek and ye shall find. The more you seek Me the more you will discover. I will become less and less foreign and become more and more an integral part of your day.*
- 3. Those who have ears to hear will hear. There are times you will hear Me say “be still and know that I am God”. You cannot hear that which you are not listening for. Often times, I will come to you in the still of the night when there are less distractions. **What you hear in the night will often give light in the day!***
- 4. You must understand you are equipped with a Divine Sense. It is this sense when activated that will hear what the Spirit is saying. Remember this, as in any earthly Father your Heavenly Father would not send you to earth without a way and means to communicate with Him. **Think of Me then as a direct line to our Father.***
- 5. Come to Me for the answers you are seeking. I will always answer your questions. Yet, many do not trust My answer is forthcoming. You must remember as in any relationship you may not always get what you want but that which you need! Keeping therefore in mind the essence of life is **to learn, to serve, and to grow!***

6. *Faith is the belief in that which cannot be seen. Yet, those who ask for eyes to see will indeed see.*
7. ***Faith without trust is an exercise in futility.*** *It is important you trust in Me as much as I trust in you. As in any relationship trust is a prerequisite for any lasting and meaningful relationship.*
8. ***Our Father's ways are not the ways of the world*** *and as such, I will guide you in the ways of the Most High and if you allow Me will help you to discover that which you have not experienced before.*
9. *I as your most intimate friend will always have your highest and best interest at heart. **It is your soul I am the most concerned about as it is the only part of you which will live forever and ever.***
10. *Mindfulness is the key in communicating with one another. **When you do not allow your mind to become consumed with worldly matters (clutter) you open the doorway to your Higher Consciousness. When this occurs, you will open the doorway to a vast new frontier. A world such as you have never known before.***

It is My hope you will desire to enter into a relationship with Me. Not one that is based on one person speaking all the time but one in which both parties participate. As I have said I do not require any special credentials, degrees or criteria and it is better to be than to do! I long to have a conversation with you and if you allow Me, I will show you how."

Chapter 3

Worship

Webster defines worship as: The feelings of expression of Reverence or adoration.

Just as in any valued relationship each party needs to feel loved and appreciated. It is no different when dealing with our Heavenly Father. All people long to be loved and yes, appreciated. Too often we do not spend time simply thanking our Heavenly Father; expressing feelings of love and gratitude.

We must remember, our Father uses all things in all ways. **It is a wise person who understands the importance of giving thanks for all things.** It is often in the least desirable of circumstances we learn the most!

The Father wants us to come to Him with an open and humble heart. He desires prayers of praise and thanksgiving and to trust in His Divine mercy. Talk to Him in your own special way and in your own words. He knows you better than you know yourself. We have included several universal prayers in this chapter and the next that we use for thanksgiving and worship. There are many! We all come from different backgrounds and religions or no religion. Use what works for you in the manner that brings you closer to Him, He is always there waiting to converse with us.

The Lord's Prayer

Our Father who art in heaven, hallowed by thy name; thy kingdom come; thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who

trespass against us; and lead us not into temptation, but deliver us from evil. Amen

Thank You Prayer

Thank You Lord, for all the blessings you have given me. I don't always remember to give you thanks for all that transpires in my life, both good and not so good. I don't always understand that all things work together in your plan and in your timing. I give you all the glory, thanks and praise! I ask for your forgiveness. I trust that you always have my best interests at heart. Help me to be better. I ask this in the name of your precious son Jesus. Amen

-ABBA and Company

Father I Thank you for all you have done for me this day. There is no problem that is bigger than you! You are all powerful and knowing. I trust in you! Help me to grow in my faith. I praise your Holy name. Amen

-ABBA and Company

Holy Spirit Prayer

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Amen

Thank you

Thank you Father, thank you Jesus, thank you Holy Spirit.
(Give a simple thank you for all things big and small throughout your day. The Lord already knows what is going to happen today. We need to live in the moment and be aware of His presence throughout our day. In all things give thanks and praise).

CHAPTER 4

Spiritual Warfare

In these trying times we are experiencing the most intense spiritual warfare known to mankind. This is the greatest battle of all time and will be fought in the spiritual. The Holy Spirit will be there to guide and protect us. If we are faithful to Him, He promises to be faithful to us! Satan's greatest weapon is fear yet, we have nothing to fear! Satan and his legion are no match for our God! When we call on the Holy Spirit, He will give us His protection and show us what we are to do and where we are to go. That is why we must spend time with Him to know His voice.

You will recognize when the enemy is present because he will display the opposite qualities of the Fruits of the Holy Spirit. Where there is love you will see hate, joy/sorrow, peace/war, kindness/cruelty, goodness/perversion, faithfulness/fearfulness, gentleness/harshness, and self-control/anxiety and confusion. Yes, this is a clear indication that evil is present.

Prayer is the greatest weapon to defeat the enemy. This is how we will fight! This will be a battle of faith versus fear. Faith is the reality and fear is the illusion! We have included examples of some *universal spiritual warfare* prayers we use for our protection as well as our families. You can use whatever prayers you like. There is no right way. Simply, talk to Him as a loving Father or friend. He is always there waiting to hear from you. It is imperative you converse with Him in the way that works for you. That will be your saving grace in these end times!

The Saint Michael Prayer

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil; May God rebuke him, we humbly pray; and do thou O Prince of the Heavenly Host, by the power of God, cast into hell Satan and all the evil spirits who wander through the world seeking the ruin of souls. Amen.

Prayer Against Satan

Father in the name of Jesus I come against the stronghold Satan has erected in the mind of _____ (insert person's name). I cast out every high thought that exceeds above the Lord Jesus Christ. I restore his/her mind to Jesus Christ. Father, we ask this in your name. Amen.

The Blood Covering Prayer

Father, I ask that You place your blood over the household of _____ (insert name) and in doing so you will cast out all sin, transgressions and iniquities within. I ask this in Your holy name. Amen

Spiritual Warfare Prayer

In the name of Jesus, the Holy Spirit and Father God, I ask you to banish and protect me from all evil. I denounce Satan and all things under His domain; witchcraft, curses, demonic activity, spells against me, materialism, relationships, finances, bloodline curses, sins of the flesh, worldly temptations and anti-Christ spirits. I denounce all things either known or unknown to me. I ask for forgiveness of all that I have done wrong and request the blood covering over me and my family. I strive only to do your will Lord. Send your Angels to stand watch over me. Imbue me with your Holy Spirit and guide me to achieve my purpose

for your Kingdom. Thank you Lord and I praise your precious name.
Amen -ABBA and Company

Invoking The Name of Jesus

Satan and demons cower at the name of Jesus. When confronted with a challenging situation simply say the name of **Jesus, Jesus** over and over!

Hail Mary

Hail Mary full of grace the Lord is with thee. Blessed art thou among women and blessed is the fruit of thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen
(The Hail Mary and praying the rosary is a powerful prayer and brings many blessings and provides protection from evil.)

Divine Mercy Prayer

Lord, grant that my eyes will see today what you would have them see. Let Our minds be of one accord. Let the words that I speak be only the words that You would have me say. Open my ears to hear what the Spirit is saying. Let Our hearts be united as one. I pray for a double anointing of the Holy Spirit to carry out my tasks today. Amen

-ABBA and Company

Psalm 91

1 He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty.

2 I will say of the LORD, *He is* my refuge and my fortress: my God; in him will I trust.

3 Surely he shall deliver thee from the snare of the fowler, *and* from the noisome pestilence.

4 He shall cover thee with his feathers, and under his wings shalt thou trust: his truth *shall be thy* shield and buckler.

- 5 Thou shalt not be afraid for the terror by night; *nor* for the arrow *that* flieth by day;
- 6 *Nor* for the pestilence *that* walketh in darkness; *nor* for the destruction *that* wasteth at noonday.
- 7 A thousand shall fall at thy side, and ten thousand at thy right hand; *but* it shall not come nigh thee.
- 8 Only with thine eyes shalt thou behold and see the reward of the wicked.
- 9 Because thou hast made the Lord, which is my refuge, even the most high, thy habitation;
- 10 There shall no evil befall thee, neither shall any plague come nigh thy dwelling.
- 11 For he shall give his angels charge over thee, to keep thee in all thy ways.
- 12 They shall bear thee up in *their* hands, lest thou dash thy foot against a stone.
- 13 Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet.
- 14 Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name.
- 15 He shall call upon me, and I will answer him: I *will be* with him in trouble; I will deliver him, and honor him.
- 16 With long life will I satisfy him, and shew him my salvation. *KJV*

All authors of prayers unknown unless stated.

Chapter 5

The Conclusion

As events continue to escalate throughout the world it is becoming increasingly apparent there will be many more challenges facing us in the near future. Many of these challenges/events will indeed be catastrophic.

For many, it will seem as though the world is spinning out of control and yet, in truth, much of what mankind is experiencing now, and in the future has already been foretold since the beginning of time. Nothing of what one has experienced in their lifetime can compare to what lies ahead.

Yet, it is through faith one can trust that good in the end will triumph over evil! Those who trust in the Heavenly Father can look forward to what is sure to come as He has promised His Kingdom will reign on earth as it is in heaven! Until such time, His kingdom can be found within all who accept Jesus as the Son of the living God!

It is through His Spirit, the Holy Spirit, we will discover all that awaits us in paradise. He will see us through the events to come. For that reason, there is no greater gift we can leave behind than to share how all can develop an intimate relationship with our Heavenly Father. That will be our saving grace!

May God Bless and keep you safe!

Love,
Wendy & Jillian
