# Introduction

## **The Spiritual Warrior**

Mankind is embarking on such as he has never experienced before. The battle which man finds himself in will never be won in the flesh! As foretold many years ago, it was revealed mankind would experience the full force of Satan and his legions. Up until now, Satan has had an advantage over man for he and his demons have always understood the mechanics of working not only in the material plain, but in the spiritual plain as well.

**That means he and his demonic forces can move in and out of these dimensions at will, using people, places and things to do his dirty work.** Works that are of such evil that much of mankind would be hard pressed to imagine, much less know who and what to fight against.

You as a spiritual warrior must now play an active role in our Father's Supreme Army. Never doubt you have been well trained for combat. Your armor is the shield of Christ which will protect you as the battle intensifies in the days and weeks to come.

Those of you who are called to actively participate in this battle, indeed, KNOW who you are. This booklet is meant for you! Let us then begin!

# Chapter One

## Definition of A Spiritual Warrior

*“First and foremost, let us state that a **spiritual warrior is not the same as a prayer warrior. While both are well versed in the power of prayer, a spiritual warrior is called to participate in the battle taking place on earth and beyond.** You as a spiritual warrior are now being called to **active duty. Webster defines active as: an activity at a particular place or in a particular way.** Yes, to engage in physical pursuits as well as spiritual. As a spiritual warrior, you are part of a special task force and so it is you are specifically trained for your mission.*

*Your time on earth has provided in-depth training that has been necessary in-order for you to understand the weapons Satan and his legion will use against My warriors. Perhaps, another way to look at your life experiences would be to, more appropriately, label them as **boot camp** (an intensive and rigorous course of training). Your time up until now has provided you with the training you needed to increase or significantly affect your knowledge and abilities. For it is said **experience is the best teacher which will enable you to become wise in the ways of the enemy.** As a spiritual warrior you understand knowledge and wisdom are two entirely different things!*

*As a spiritual warrior you are endowed with an inner knowing. This inner knowing comes from within and cannot be acquired from the exterior. This knowing is a result of your spirit being one with the Father. As the Commander-in-chief of this Supreme Army, it is imperative a spiritual warrior be able to adhere to those tactics which are of the mind of Christ.*

*Jesus resides in the very center of His warriors stating, “I am in you and you are in Me, therefore, all that I am you are. All that I have you have.”*

*You have within you all that you need to be an effective warrior.*

*As a spiritual warrior you must trust you will have what you need when you need it. Yes, you are armed with those gifts and qualities which those who have been called to active duty will become proficient in. "For He that is in Me is greater than he that is of the world!"*

*Spiritual warriors are equipped with the ears to hear what the Commander-in-Chief is saying and yes, the eyes to see what needs to be seen. These senses are not the same as what mortal man is accustomed to.*

*For the eyes afforded to you as a spiritual being, allow all to see what is the reality as well as that which lies beneath the surface! This is crucial for a spiritual warrior. You cannot fight against that which one cannot see. Just as Jesus is the Commander-in-Chief of His Supreme Army, He is of course the Ambassador of Truth also.*

*The purpose of the School of Life which all souls attend on earth is to learn, to serve and to grow. And now, My precious warriors, it is time to put that which you have learned into practice! It is time to serve in the greatest army of all time. I, as your Commander-In-Chief, will lead you now on the road to victory! This is a victory well worth fighting! For in the end, My kingdom will indeed reign on earth as it is in heaven.*

## Chapter Two

### **The Eyes To See**

*As a spiritual warrior you have the eyes to see that which mortal man cannot. Because I am in you and you are in Me, you automatically respond as My Spirit guides you. **It is crucial you disengage from those thoughts and emotion which create barriers to your ability to eradicate those weapons Satan and his legion will use against you.***

*Chaos and confusion are not of the Divine for I am the Ambassador of Truth and as such, the Commander-in-Chief of this Supreme Army. You must utilize those weapons which you are well versed in.*

*The enemy's primary objective is to destroy as many souls as possible before Jesus' return to earth. Lucifer and his demonic legion will use people, places and things against My warriors.*

*One of his primary weapons is to uproot the family. Because he despises Christmas, he will use this particular time to try to dismantle, discourage and divide the family unit. It is of course the same with Easter.*

***Spiritual warriors must operate in the offensive at all times, using their spiritual eyes to see what others cannot! In doing so, you will be able to stand strong against the myriad of weapons the enemy will use against My people. I will use Satan's attacks to My Supreme advantage.***

*Because My warriors are well aware they are in fact spiritual beings, they are now able to fight in this battle effectively. I will use such attacks to awaken the souls of My people.*

***My spiritual warriors are able to move in and out of the spiritual plain at will. Those who are called to active duty are able to fight on two fronts. One being the physical realm and the other being the spiritual realm.***

*Having this ability is intensifying Satan's attacks. Demons are on high alert seeking out those souls who are not protected by our Father's holy breastplate. Because these souls have lost their connection to the Father, they are easily devoured and distracted by thoughts which are of darkness. These unexpected souls are increasing in number as the time of Jesus' return draws near.*

*As spiritual warriors you must surround yourselves with those of like minds and purpose. Spiritual warriors must rely strongly on one another in-order to present a formidable front against the opposition!*

## Chapter Three

### **A Call To Arms**

*As your Commander-in-Chief, I have formed the greatest Supreme Army of all time. You now are being summoned to active duty. Each of you has been specifically trained in your spiritual gifts. When you use these gifts, combined together with others, it will result in an army far superior to that which is of mortal man.*

*As a result, you will not perform as a separate or singular entity, but rather, a superior force such as mortal man has never experienced nor conceived of before!*

*Every strategic move has been well planned by our Commander-in-Chief. Now, you must use your gifts according to our Father's plan!*

*He that is in Me is far greater than he that is of the world! Every detail is being attended to. To be effective it is imperative you now respond to that which your soul is ready to confront. Many times, man has exclaimed there is strength in numbers. Those who are of My Supreme Army are not fueled by that which is of the ego. And so it is, there is a bond, a union, Satan and his legion cannot defeat. For the weapons they use cannot penetrate that which this mighty army is prepared for.*

*The battle you as a spiritual warrior are engaged in is not like any physical battle known to man. Now, you as a spiritual warrior will be using weapons which are far superior to that which can be found on earth.*

***Although your body still resides on earth, you will have access to those weapons which mortal man does not. I have formed a covenant with each of My warriors promising you will have all you need at your disposal.***

***There will be certain events to come which man would consider to be supernatural. Yet, you who know you are indeed a spiritual being will see that which man labels as supernatural will be natural for you!***

***You will join forces with spiritual beings who no longer walk this earth. St. Michael along with a legion of warring angels will fight side by side with My spiritual warriors inhabiting the earth. Together this mighty army will slay the demons whom man cannot see.***

*Satan the mighty Deceiver will no longer keep My chosen from all that they have access to as a spiritual being. My timing is precise and so it is time to use the full force of My Supreme Army against the prince of darkness.”*

## Chapter Four

### **Characteristics of A Spiritual Warrior**

1. A true spiritual warrior knows himself well. In doing so he can assess his strengths and weaknesses.
2. He knows the enemy will use, whenever possible, his own gifts against him in an effort to keep him from using his gifts as the Father intended.
3. The true spiritual warrior is not afraid to stand up for what is right knowing that when he does so he will stand out for all to see.
4. A spiritual warrior is at the Father's disposal 24 hours a day.
5. A true spiritual warrior is relentless in his pursuit of the enemy.
6. A true spiritual warrior is not afraid to lead by example.
7. A spiritual warrior embraces the Father's will above all else.
8. A true spiritual warrior is not driven by that which is of the ego.
9. He is not afraid to look at that which others close their eyes to.
10. A spiritual warrior understands all are responsible for how they respond.
11. A spiritual warrior understands this is a battle between principalities.
12. A true spiritual warrior will keep on fighting no matter what the cost until he is assured Satan and his legion are destroyed once and for all.
13. A spiritual warrior is willing to take the place on a battlefield in place of a wounded brother or sister.

**As spiritual warriors we need to understand this battle is not about flesh and blood but against the powers in heavenly places.**

**Yet, the enemy is able to move against us in the physical realm. There are forces we cannot see that are actively working around us. The enemy will attack trying to dissuade us from Jesus. He will use people, places and things to steal the hearts of Jesus' people way from Him. These types of battles are fought in the physical world but involve spiritual forces of darkness that exist in the invisible realm around us.**

**War in the physical world will never be resolved in the flesh and so it continues to be a controversial subject. In the spiritual realm there is a continuous battle going on regardless of man's opinion.**

**The spiritual warrior is well aware that the spiritual realm does exist and is equipped to fight on another's behalf. The Holy Spirit lives within the spiritual warrior and so it is he is trained to discern between the ways of God and the ways of the world of which Satan rules. Jesus knew Satan would use every enticement to lure man's heart away from God.**

## **Satan's Spiritual Attacks**

**By Dr. David Jeremiah**

1. **Weary/ Fatigue**: When you are stretched to the maximum God is just getting started.
2. **Anxiety**: When we are feeling overburdened and hold on to responsibilities that aren't ours to bear; they belong to the Lord. We need to lay our burdens at His feet.
3. **Stress**: We must trust in Gods promise stating the Lord is my strength.
4. **Temptation**: Our Father will not allow you to be tempted beyond what you are able to withstand. With a humble heart and God's guidance you can withstand temptation.
5. **Fear**: God's wars cannot be won without bravery. Jesus instructed the disciples not to fear those who kill the body but cannot kill the soul. But rather, fear him who is able to

kill both the soul and the body in hell (Matthew 10:28).  
When you are overwhelmed shift your focus from the problem to the solution.

6. **Despair**: We may not see the purpose behind our pain but we can trust Jesus to shine through our darkness.
7. **Lies**: We use God's mighty weapons, not worldly weapons to knock down the strongholds of human reasoning and to destroy false arguments (2 Corinthians 10: 4 NLT).
8. **Revenge**: Beware of standing in God's place and exact vengeance on our own terms. We do not want to see abuse of power.

## **Spiritual Warfare Prayer**

**By Dr. David Jeremiah**

Heavenly Father,

Your warrior prepares for battle. Today I claim victory over Satan by putting on the whole armor of God.

I put on the Girdle of Truth. May I stand firm in the truth of your word so I will not be a victim of Satan's lies.

I put on the Breastplate of Righteousness. May it guard my heart from evil so I will remain pure and holy protected under the blood of Jesus.

I put on the Shoes of Peace. May I stand firm in the Good News of the gospel so your peace will shine through me and be a light to all I encounter.

I take the Shield of Faith. May I be ready for Satan's fiery darts of doubt, denial, and deceit so I will not be vulnerable to spiritual defeat.

I put on the Helmet of Salvation: May I keep my mind focused on You so Satan will not have a stronghold on my thoughts.

I take the Sword of the Spirit. May the two-edged sword of Your word be ready in my hands so I can expose the tempting words of Satan.

By faith Your warriors put on the full armor of God!

I am prepared this day to live in spiritual victory.

Amen

## Conclusion

*“You as a spiritual warrior will fight the good fight alongside those who in the end will defeat the enemy once and for all! Fear not! For help is indeed on the way. The likes of which man has never seen. This then is when I shall return for there will be a new kingdom on earth as it is in heaven.*

*My spiritual warriors will stand in the gap prior to My return. In doing so, they willingly will expose oneself for the protection of another. And so, you see, the magnitude of what you, My spiritual warriors, will be facing in this greatest battle of all time!*

*Yet, there is nothing to fear as you will join forces with angels and archangels of the highest realm. Trust in Me as I trust in you! Every detail is being tended to as you, My mighty warriors, will indeed soar with the eagles.*

*There will be no mountain too high nor valley too deep for together we will destroy the Mighty Deceiver and his legions once and for all!*

*There is a new dawn on the horizon, a new world of which you will surely be a part of! Hence the warrior’s cry! **GET READY FOR THE VICTORY IS OURS!**”-Holy Spirit*
