From the President's Desk

May 28, 2022

Dear Alumni,

This past year the Alumni had an outdoor luncheon at the Elks Pavilion. It was a hot, lovely afternoon. The class of 2021 were enthusiastic and the lunch Razy's baking and catering served was wonderful. We enjoyed the company of some wonderful Alumni and celebrated the Class of 1970 and 1971.

This year we will be holding our annual banquet at the Elks with Razy's baking and catering serving lunch indoors. We will be handing out 36 awards this year.

The Billerica Alumni Annual Meeting will be held on June 11, 2022 at the Billerica Public Library Lower level at 9 am to 12 noon. Please join us as we go over the past year's events. This year we will be voting in our board members and officers. If you are interested in being an active member or just volunteering, please join us. We have had the pleasure of welcoming three new members of the board and we look forward to having them continue on the board.

Over the course of this weekend, we have had graduation of a new class of Alumni, the induction of Billerica's Community Hall of Fame which encompasses the Billerica Athletic Hall of Fame, the Billerica HHS-BMHS alumni Association Life members, The High School Educators and Billerica Civic groups. There will be pictures displayed in the Lobby of the high school and a touch screen that will allow you to get more information on each of the Hall of famers. This may take some time to get them all up! The link and stories will be available on the Billerica Community hall of fame website: <https://townofbillericachof.org/> and the Alumni website: bmhsalumni.org

This year we sent out our invites via email and mail. It was as successful as we suspected it would be. Some of our emails may have gone to people's spam or junk folders. Some were expecting mailings. Please let us know what you think. Our email is billericaalum@gmail.com

I would like to take a moment to thank the people who have donated not only to the awards we gave out this year, but to donate to help us keep going every year. Thank you all so much.

I wish you all a great year ahead and hope to see you next year!

Betty Patriquin 1977

The 5th Annual Jack Fay Athletic Achievement Award
From the coaches:

A note from the Athletic Director John Magliozzi:

In 2022, the Jack Fay Award will be granted to a male and female student-athlete from Billerica Memorial High School. The class of 2022 has an abundance of talent three sport athletes but 2 of them have made a tremendous impact to their teammates and coaches alike. This year the 2022 Jack Fay Award is granted to Julia Trainor and Kadyn Kabuga. Both student-athletes have been selected by their teammates as 3 sports captains of their respected teams and both students received the most nominations by the coaching staff at BMHS. This is a clear tribute to their character and impact they have had to their teams.

With that said, today is a day for Kadyn to be recognized as a great teammate and athlete. Most importantly, Kadyn has represented Billerica Memorial High School with the utmost integrity and sportsmanship that a school could expect. At this time Kadyn will continue running track at Brown University. Over the past 4 years, Kadyn has participated in at least 120 varsity games in soccer and track at BMHS. He has also earned MULTIPLE All-Conference Awards from the Merrimack Valley Conference in Soccer, indoor track as well as outdoor track. Most recently, Kadyn earned the “Masters of Sports Award” as well as the Department of Athletics Barbara Hood Award.

Likewise, Julia Trainor was a three-sport captain of the soccer, track and field, and lacrosse teams. She has been described as a great teammate with a relentless work ethic! She takes great pride in all that she does. Julia has also been recognized as a Merrimack Valley All-Conference athlete in all 3 sports as well as earning the “Master of Sports Award” at BMHS as well as the Department of Athletics Barbara Hood Award. As a member of the track team, Julia also has earned a school record as a member of a relay team. Julia will continue her education and athletics at Long Island University as a member of the lacrosse team.

In today’s athletic environment, it is difficult to find multi-sport student athletes. It’s with great pleasure to see 2 students such as Kadyn and Julia be awarded with the honor of the Jack Fay Award.

From the coaches:

I would like to end with a few quotes from their coaches;

Julia:

Julia has the wonderful combination of being a fierce competitor while at the same time being a caring and loving teammate

Although she was just with the indoor track team for just two seasons, Julia had an enormous impact. She helped to lead her teams to two undefeated seasons in the MVC, a 2nd place finish at the D3 state relays, and a 2nd place finish at the D3 state track championship meet. She was on two nationally qualifying relay teams, ran on the second fastest 4x400 team in school history, and set a school record in the 200 meters in NYC at the National Championship meet. Even though she is an extremely talented athlete, her most important contributions came from her impact as a leader and a teammate. Julia is incredibly supportive and led her teams both vocally and by example.

When I think of Julia, the first word that comes to mind is "competitor". She approaches every game headstrong and ready to put up a battle. She is always willing to go that extra inch with no questions asked. Julia is a natural leader, she challenges her teammates and encourages them to push themselves to be stronger players. She has been a driving force in the success of our team this season. In the short time that I have coached Julia, it's without a doubt she has made a lasting impression on me. I look forward to watching her continue to be successful playing lacrosse in college.

From the coaches:

Kadyn

Kadyn played Varsity Soccer for three years. He was always reliable, focused, and determined as an athlete. He has always been a leader by example! He is tremendously hard working! Kadyn also organized the soccer team's community service project helping to feed and clothe the homeless population in Lowell.

Kadyn is one of the overall best student-athletes I've been able to work with. Not only is he versatile in everything he does, but his commitment both on and off the field is unparalleled. Even with his busy schedule with DECA and honor societies, he still finds a way to show up every day and get the work in. On days when he is over 1000 miles away in Atlanta for DECA, he is still on the street or in the weight room doing the workouts and preparing himself for the meets. He continues to make us proud every day and has been amazing to work with the past four years

To me that is true leadership and character!
