LAKEVIEW HEIGHTS NEWSLETTER
November 15, 2020

Leaf Pickup – REMINDER: The city has appropriated funds for leaf pickup this year which will occur in November. The estimated date currently is a one-time pickup to begin on November 19th or 20th. As always, your leaves must be blown to the edge of the street (but not in the street) into piles (no bagged leaves) BEFORE leave removal begins. Once Mr. Brown has cleared a street, he will not return to that street to remove additional leaves (basically, once he passes your house once, he will not come back).

Property Tax Reminder: The deadline for the property tax discount is November 30. Please make arrangements for payment prior to this date to ensure you save a little money! 😊 Payments can be mailed to the City Building (385 Circle Drive) or placed in the building's dropbox outside of the front door.

City Text Message/Email Group (REMIND): If you are interested in joining a text messaging/email group that will allow you to receive periodic announcements and city-related reminders via text message or email, please follow the directions provided. (These messages would be sent by the Mayor, Clerk, or a City Commissioner and would only pertain to city business.)
