Complaints – After an extended discussion during the December Commissioner Meeting on 12/2, in order to help maintain accurate and detailed records, all resident complaints, concerns, etc. need to be submitted in writing to the Lakeview Heights City Commission. Those can be mailed to the address above (Attn: City Commission), dropped in the lockbox outside the front door of the city building, emailed to the clerk, mayor, and/or commissioners (official emails below), or personally brought to a Commissioner Meeting. To be accepted and brought before the Commission for review, complaints must be as detailed as possible and include the name and address of the resident(s) making the complaint. Thank you for your cooperation in helping to make this a more stream-lined process.

Property Taxes – All but sixteen 2021 property tax bills have been paid, which is fantastic. The clerk is working on processing a few overpayments, receipts, etc. Thank you for your prompt payments!
