

Los Angeles County Womens Golf Association

We are a group of almost 700 women golfers from greater LA County. We have monthly play dates and six major tournaments annually. Membership is through local affiliate clubs OR individually. Each member club has a LACWGA Representative who can provide information about LACWGA and upcoming events. Members who join as individuals (with no club affiliation) receive information from the LACWGA Membership Chair.

Monthly Play

- LACWGA plays on the 4th Thursday of each month (except in November & December, when we play on the 3rd Thursday)
- Registration is from Monday – Friday of the first *full* week of the month *prior* to the play day. (e.g. registration for February would be the first Monday in January through the Friday of that first week.)
- Monthly flyers are generated in advance of play and include details on course options, registration dates, any specific requirements for that month, the game of the day, etc. Flyers are distributed to the LACWGA Rep for each member club. The Rep is responsible for distributing the information to her club's members who have joined LACWGA.
- ALL registration for monthly play is online (LACWGA.net) with payment made via ZELLE or personal check. Instructions for payment are outlined on the form and/or Monthly Play Information sheet. Registration fees will be refunded or credited *only if* the event is cancelled OR if your request to play is not accommodated. Modifications to course activity mandated by the management (greens punched, no carts, hole closures) will NOT result in refund/credit.
- Greens fees vary by course and are paid either on the day of play at the golf course, or in advance if required. Pre-payment requirements will be provided each month upon acceptance of registration.
- Additional details on monthly play can be found on the Monthly Play Information Sheet.
