

## **Class Enrolments,**

Please see details below details regarding how to enrol into our classes online through the customer portal.

For information on class prices, please view our current [price list](#).

If enrolling part way through the term, fees are calculated at a pro-rata amount for the remainder of the term.

Please note, the registration fee is compulsory and covers each individual's insurance through Gymnastics Australia. (Note: If you are currently registered through Gymnastics Australia with another affiliated club, we can transfer your current registration for the remainder of the current year).

In order to enrol into a class, you will need to click the link below and create an online customer portal account. Once it is set up you will receive a confirmation email giving you access where you have the ability to enrol into your preferred class.

From the menu select "Classes" and "Add Enrolment" then select (2023 - Recreational)  
Select a student and a list of available classes should display. If no classes are displaying, you may need to change the date range.  
Once you have found your preferred class you can add it to your cart and proceed to the check-out.

If wishing to use an Active or Creative Kids voucher, please email the voucher number and child's date of birth, once we have processed the voucher we will place the amount on your account with us as a credit which you can then apply to your booking in the check out when enrolling through the customer portal.
