OUR MISSION STATEMENT

Fish Hoek Primary school will provide your child with a solid, effective foundation which promotes life skill and self-development in a caring, secure environment.

OUR VISION

We strive for a school which:

1. Is financially sound, affordable and well-managed
2. Provides a well-equipped environment and an effective programme for learning social, academic, creative, physical and life skills
3. Provides programmes which cater for individual needs, abilities and talents
4. Produces well-balanced, stimulated and happy pupils with good self-esteem
5. Promotes technologically aware
6. Serves the diversity of our community
7. Has parents who are actively involved, thereby supporting the teachers in their primary function
8. Believes in a positive discipline policy which reinforces manners, morals, respect, caring and awareness
9. Has a caring, dedicated team

This is in line with the main values of the Constitution of South Africa: **liberty, equality and democracy.**

It's all about our kids
