

Director's Report for Pottsgrove Recreation Board

June 15, 2023

Swimming Lessons:

The Summer session next week with only 15 registered. We always have a light group in the summer, but numbers have tapered off a bit over the past year.

Community Band

Community Band had their first two concerts, and they went well. They have 4 more with the Sanatoga Park Concert on August 6th @ 7pm if you're available you should try to go.

Volleyball

Volleyball is done until fall.

Basketball Classes

Basketball is done and Marcus wants to do a multisport for summer. 8-weeks a different sport each week: flag football, basketball, soccer, field hockey, kickball, wiffle ball and dodge ball were a few he was considering.

I'm working on getting insurance quoted and seeing if we can make it work with outside space at the district or possibly West Pottsgrove Township Building.

Summer Playground

After months of planning and preparations we are finally ready for the start of Summer Playground. All activities are planned, we had our training, and we have spent some time going through the supplies from both West & Rocks and combining them at Lower to set up. We finished setting up today at Lower and the space we have is going to work well. I am not as concerned about the week we do not have the cafeteria if we have bad weather. The portico is bigger than I remembered and having the divider down in the gym makes the space 2 spaces. I picked up t shirts today and I am very happy with how they turned out. Everyone is getting excited to start on Tuesday.

We had a total of 170 children registered after some drops mostly due to parents finding alternative full day camps and families being away on vacation, we have 157 attending for Summer Playground with our largest week having 132 scheduled.

Next meeting will be **Thursday, August 10, 2023 @ 7pm - Zoom**
