

# Director's Report for Pottsgrove Recreation Board

---

## **Swimming Lessons:**

Fall Swimming Lessons has 19 kids and runs through October 21, 2023.

## **Community Band**

Community Band starts practices Oct. 2, 2023.

## **Adult Volleyball**

Adult Volleyball began September 5<sup>th</sup>. They had 16 participants the first night, and 13, but 2 new players. We had 6 new participants registered online so I am hopeful that we will have a good year.

## **Youth Sport Classes**

We have several classes this fall for children Multisport, flag football and basketball classes. We have a total of 22 kids signed up across these classes. I am hoping as we continue to offer them more parents will sign their kids up. I have received a lot of great feedback and some parents even share how good it has been for their child on my posts.

These classes will run September 25 – November 3<sup>rd</sup>. We will then take a break until after the high school basketball session due to Marcus being a coach for the high school team.

## **Youth Volleyball**

Youth volleyball has 5 girls signed up. I am hoping to get more. This program doesn't start until the end of October so I am sure more will sign up once fall sports start winding down at the middle school.

## **Advertising**

I place our annual one-page ad in the Booster Club Fall program. This year I asked people to come out and see us at our community day events and shared those dates.

## **Community Day**

We were at the Lower Pottsgrove Community Day, and I would like to thank Geri for coming out and helping. We were pretty busy at times, so it was nice having an extra person to talk to families. We reached a lot of members of the community and got a few sign ups from it.

We will also be at the Upper Pottsgrove Township Community Day at Heather Place or Hopewell Community Church should it rain on Saturday. I hope this one it as eventful as the last.

I also signed up for the Booster Club Craft and Vendor Event which will be held on November 4<sup>th</sup>. We did that one last year and there were a lot of people there. If you know anyone who sells products or has crafts let them know the Booster Club is still looking for vendors.

Next meeting will be **Tuesday, October 17, 2023 @ 7pm - Zoom**
